Thomas Fitch

Notes

Thomas Fitch apparently came over to America around 1650. He comments that the Civil War in England and the cost of getting his family to America cost him about all he had. We find him in the Norwalk area first.

From a history of Norwalk, Chapter on Homelots:

THOMAS FITCH (purchased the lot laid out to Edward Church in 1655) 4 acres.....Bounded east by Town Highway.....west by Daniel Kellogg's home-lot.....north by Nathaniel Richards home-lot.....south by Matthew Marvin, Sr's home-lot.

Town Officers in 1654.....At a meten helde by the inhabitants of Norwake on the 13 April 1654, when they maid choyce of Mr. Fitch and Goodman Moore to be townsmen for the insuen yere.

Allso, Thomas Fitch, sen. and Leeiftenant Olmstead are desired to be helpfull unto Nath. Richards in the procuringe helpe for the making up the mill Damne.

Clapboarding the Meeting House.....At a meeting held the 12th of December, 1660, the towne hath agree with Mr. Fitch and Goodman Richards, and John Rosco, to claboard the meeting house with inside so hy as the window; to find the bords and to have 3 L 6 s for the doing of itt; this worke to be don by the last of January next.

In 1664 Thomas Fitch and Matthew Marvin were to call out as many men as they think fitt to fell and cutt the timber, and also to summon each to drawe the saide timber for an addition to the meeting house.

Thomas did many other things as he seemed to be on the "Towne Board". He helped draw up conditions for the building and maintaining Henry Whitney's Mill. He was deputized to help deal with the men from Stamford who apparently were causing a problem about the property lines.

Jacobus has this to say about Thomas: Clerk, Norwalk Train Band, Feb. 1657; Ens., May 1665; Capt., Fairfield County Troop, Aug. 1673 and Feb. 1676 (King Phillips War); Commissioner for Norwalk, 1669-87, 1689-94, and for Danbury, 1686-90; Deputy (Norwalk), May 1673.

Eldest son of Thomas and Anna Reeve Fitch of Bocking, co. Essex, England, born about 1612, died at Norwalk in 1704; married at Bocking, November 1, 1632, Anna Stacey. He was instrumental in bringing other members of his family to New England; among his brothers were Rev. James of Norwich, Samuel the Hartford schoolmaster, and Capt. Joseph. The latter was with him in Norwalk, but finally settled in Windsor.

Will October 6, 1696; grandson Thomas Fitch; two grandsons John and Nathaniel Fitch; dau. Ann now the wife of John Thompson of Farmington; dau. Mary now wife of Capt. Matthew Sherwood; son John and John's wife; son Capt. Matthew Sherwood and cousin Sergt. The John Platt called cousin by Thomas Fitch was husband of a sister of the wife of Thomas Fitch, Jr.

In the presence of James Olmstead, Samuel Smith signed Thomas Fitch (seal)

A couple things on the inventory list were a Blankitt and old books, woodenware, old, Waring cloak and hat, taken April 14th, 1704.

Mr. John Fitch, son to ye above Mr. Thomas Fitch engaged before the court to give unto the children of his sister, Burr, as much as his father gave unto any of his other sisters in his will.

.....

Son, John was appointed executor of his father's will as the eldest son, Thomas, predeceased the father in death. The estate was worth 311 pounds according to C.W. Fitch of Florida. No ref. given.

.....

"Norwalk" by Sellect, places Thomas Fitch, Sr's house somewhere near the present Enos Osborn East Avenue home, and Thomas Junr's home was originally on the oppostie side of the street, a little to the southeast of Goodman Hoyt's, now Earle's Hill. (Not sure of the date of the writing of this book, but at the present time you

may find a major highway going through that area and the original Fitch home lot may be hard to find.) Think it was about 1896.

Page 194: Thomas Fitch and son Thomas, born in England, arrived with his widowed mother in 1635-38 (This date is probably not true as though there were some Fitches that came at that time this Thomas says he was in the Civil War in England which was 1648 and then brought his family over and the war cost him a fortune. Rev. James Fitch did come in 1638 as a 16 year old boy.)
The earliest date affixed to any English Norwalk deed stands attached to a Thomas Fitch, Sr., in 1652. He came it may be inferred from the vicinity of Hartford and accompanied by his brother, Joseph. As appears from his will he had a number of children, but none, perhaps of Norwalk birth. He does not seem to have a permanent house-lot in Norwalk until he purchased in 1654, the same from Edward Church. His children were Thomas, John, Mary, Ann (Mrs. John Thompson of Farmington, Sarah (Mrs. John Burr of Fairfield, and some one supposes, Samuel of Hartford, who did not come to Norwalk. Thomas Fitch died in 1704. (We are pretty certain now that the Samuel of Hartford was Thomas Fitch, Sr.'s brother and not his son.)

NORWALK DEEDS VOL. V, page 371
JOHN FITCH, SEN. DEEDS 1/2 his property to NATHANIELL FITCH
FOR LOVE AND AFFECTION
JANUARY 14, 1713/14, RECORDED JANUARY 14, 1720/21

Taken from FHL film #5002.....sent to me by Ann Sickler Hassold.....

Possibly John II did not die in 1748, but was later as 1760 date has also been named. (Will written in 1748 and proved in 1760)

From KK Fitch's genealogy "John Fitch 2 removed to New Canaan, then a parish of Norwalk, and settled upon Clapboard Hill, a sightly tableland about four miles distant from the village of Norwalk, where he and his posterity owned a large tract of land. The church at New Canaan was founded June 20, 1733, and John Fitch 2 and his wife Lydia were among the original members. The Church record shows the death of Lydia Fitch (widow) August 25, 1786 in the 103rd year of her age. New Canaan was incorporated as a separate town in 1801, being formed from portions of Norwalk and Stamford. The will of John Fitch, dated August 25, 1740 (1740 was the date that was written in RCFitch's books, but the actual will when read, reads 1748 written out) was proved in the Fairfield Probate Court February 8, 1760. The testator devises considerable land at New Canaan to his sons Matthew, Theophilus and Bushnell, and gives legacies to his daughters, Rebecca Richards and Lydia. No mention is made of his son John 3 or his children."

.....

The genealogy of KK Fitch says that John and Lydia had a son John who married an Elizabeth and who died in 1748. Will was proved April 5, 1748. (This may be possible, but this may also be John son of Nathaniel who married Elizabeth and died in 1748. It is yet to be proven which John it was.)

.....

Not listed here or entered in is the son that so many have given to John and Lydia as son John, who is then carried on down in the family and ends up as the ancestor of the John Fitch of PA. There is much confusion about him. So far have not seen a birth date or any marriage date to Elizabeth Hanford as told and so will not include him here. He may have existed. He may have married Eliz. Hanford, but he was not mentioned in the will of his father nor is any mention of a wife or children that survived him if he did die in 1748. We think that the things that are given to this son of the above John, should rightly be given to the son of Nathaniel which we know did exist and he married Elizabeth Beers, helping to confuse matters. Much more info needed to straighten this one out.

Will information summary from "unknown researcher":

John Fitch II, year 1760, File #2224, 3 documents, Town of Norwalk, District of Fairfield. Will made August 25,

1748. Exhibited February 1, 1760. Mentions loving wife without naming her, son Matthew Fitch, son Theophilus Fitch, son Bushnel Fitch, daughter Rebeckah Richards, daughter Lydia Fitch, the 3 sons to be executors.

I have a copy of the will and of the inventories. Will was dated August 25, 1748 and inventories dated 1760. RC Fitch has mistakenly recorded this date of the will as August 25, 1740. It is clearly written "forty-Eight". We do not know for sure the date of John's death, but would apparently be between August 25, 1748 and February of 1760.

Notes

C.W. Fitch, Florida, says that the New Canaan Historical Society has 3 death dates for Lydia. However, he did not give any but the 1786 date making her 103 years old when she died.

New Canaan Congregational Church Records:
Lydia Fitch, widow, died August 25, 1786 - age 102 years and about 6 weeks in the third year.

.....

In the inventory of her father, Lydia was mentioned fourth, probably indicating that she was the fourth child in the family.

Notes

Will of Nathaniel Fitch: Vol. 9, page 196, NATHANIEL FITCH of Norwalk, will dated April 5, 1742, proved June 10, 1743. Mentions wife ANNA, what she brought and 80. Son, JOHN FITCH of Norwalk, son LINDEL FITCH of Norwalk, land in Canaan Parish, daughter ELIZABETH, wife of JABEZ CRANE, other daughters, ABIGAIL and MARY FITCH. From the Fairfield Probate Records in Fairfield.

Will proved: June 20, 1743. He made a bequest to the Episcopal Church in Norwalk. (this bit of information was found on Rootsweb given by Marvin Dellinger) Would indicate then that Nathaniel and his family may have attended the Episcopal Church of Norwalk.

Anna was Anna Mallory wife of William Mallory. She could not be the mother of any of the above children as she had children, 9 of them, with William and did not marry Nathaniel until after William died, about 1739, too late for any of the above children. (Children under Anna and William)

This is a portion of a land conveyance in which the original is very hard to read consequently have only a part of it. But this part pretty much tells us that the first wife of Nathaniel was Elizabeth and she would be the mother of the children.

Below that all we can read is.....
Nathaniel Fitch and Elizabeth, his wife apparently appeared to acknowledge the above transaction in April of 1724. Wish I could read it all as there may be more clues as we don't know what land it was or who Elizabeth was before she married Nathaniel.

Ann Hassold may have other pages but wanted me to see this one to say that Nathaniel's first wife was Elizabeth. And at the dates mentioned she would be the mother of Nathaniel's children, who are John Fitch, Lindall Fitch, Elizabeth Fitch (apparently named after her mother), Abigail Fitch and Mary Fitch.

Nathaniel and brother John received 200 acres on Clapboard Hill in New Canaan, Approximately 4 miles from Norwalk, so named for the straight grain oak tree Grove,
wood used for clapboard siding. So far have not found this deed or will.

We find that the following are deeds that John Fitch, Sr. made out to give his possessions to his two sons, John Fitch, born 1677, and Nathaniel Fitch, born 1682. John was born about 1633 in England and came over with his father, Thomas. His wife was Rebecca Lindall.

"Norwalk" by Selleck, page 265 gives us some misleading information. Selleck says that "Young Nathaniel Fitch

and his wife Anna had a son they named Lindall.....Since Anna is found in his will as his wife, probably not knowing about the other wives, Selleck came to the conclusion that she was the mother of his children. Now we know that is almost impossible. Even if Lindell was born in 1727 as some say, Anna was still married to William Mallory at that time so Lindell could not be her son.

Anna Mallory

Notes

Anna Mallory was the third wife of Nathaniel Fitch and he was her second husband.

Jacobus has this to say about Anna and William Mallory:

William was born at New Haven, September 2, 1675, died at Fairfield in 1738 (meaning that Anna could not have married Nathaniel until after his death, probably about 1739).

His wife, Anna, renewed Covenant at Fairfield Church, December 17, 1699. She later married Nathaniel Fitch with whom she conveyed in 1741 land to son Ebenezer Mallory.

Also have the note that "Lindall and Anna became members of the New Canaan Church in 1755". Not sure if it is his step-mother Anna or another Anna, but if so she was still alive in 1755.

William's will dated June 6, 1738, proved December 5, 1738; wife, Anna, children, Jonathan, Mary, Rebecca, Sarah, John, Ann, William, Peter, Ebenezer.

It is obvious that all of Nathaniel's children were from his first wife. Anna was his wife when he died and is named in the will, but she and William had 9 children before that time. If William died in 1738, and she and Nathaniel conveyed some land to her son Ebenezer, in 1741, and then Nathaniel died in 1743. They would have been married some time between 1738 and 1741.

Apparently there were two other later girls who perhaps died young as they were not listed in the will of William. Names: Lydia and Deborah. Unless they belonged to another Mallory family. Dates of birth of the children were partially taken from Rootsweb, from Marvin Dellinger.

Vol. 13, page 140, Jan. 21, 1768: DAVID KING and wife, ELIZABETH, of Fairfield, to JOHN FITCH, of Norwalk, 23 acres, excepting the one-half of the one-third at the death of ELIZABETH ELIS, wife of HENRY ELIS. (Seems to prove that the widow Elizabeth married again to Henry Elis)

Vol. 16, page 72, Jan. 21, 1768: JOHN FITCH of Norwalk, to my sister, ELIZABETH KING, wife of DAVID KING, 3 acres at Poplar Plain.

Vol. 16, page 72, Jan. 21, 1768, JOHN FITCH of Norwalk, to my sister ELIZABETH KING, wife of DAVID KING, 16 acres at Poplar Plain.

Vol. 16, page 72, Jan. 21, 1768: JOHN FITCH of Norwalk to DAVID KING and ELIZABETH, his wife, 12 1/4 acres, 2 rods, 23 links at Woolfe Swamp.

Vol. 23, page 103: Distribution of the estate of NATHANIEL FITCH of Norwalk made (pursuant to Court Order of March 21, 1786, to JOHN FITCH, 10 acres, 106 rods on Fitch's Plain, 2 acres of swamp at the south end of the plain, 2 acres of woodland at the north end of the plain, and 4 acres and 3 rods of swamp called Woolfe Swamp. ELIZABETH, wife of DAVID KING 2/3 of homestead, house and barn. Each heir got 1/2 of the widow's thirds in the homestead that she held in her son, Nathaniel's estate for life. (this seems to show that the distribution was of the estate of NATHANIEL son of JOHN and ELIZABETH. Possiby the date of 1786 is correct as the distribution may not have happened until the death of the mother ELIZABETH ELIS.)

From the will of Aunt Mary Beers Brush:

The rest of her property she wanted divided among her nieces, noting that she was listing them by their maiden names and that they were the daughters of her brothers "John and Anthony Beers and sister Esther and my brother Ephraim Bear." She listed them in the following order with unusual spellings as noted, but the bracketed insertions of the names of their fathers have been added by this compiler. They were: Esther, Mary, Elizabeth and Rebecca "Nicolls"; Elizabeth, Hannah, Mary, Olive and Rebecah (daus. of Anthony), ELIZABETH, Sarah, "Unice", Abigail, Deborah (daus. of Ephraim), Martha and Sarah (daus. of John) "Bears". Note that she spelled the family name three different ways within this one document.

Things to note from the above items:

ELIZABETH BEERS FITCH ELIS CALLS EUNICE BEERS HER SISTER.

SHE CALLS DAVID BEARS HER BROTHER, DECEASED IN 1777

SHE CALLS JOHN FITCH HER HUSBAND

SHE NAMES HER GRANDCHILDREN
OF HER SON JOHN FITCH.....JOHN, JR, GIDEON, SUSANNAH
OF HER DAU. ELIZABETH, DEC'D.....NATHANIEL FITCH KING, SARAH KING, ELIZ. KING

Notes

The parents of David King were Richard King and Sarah Finch.

David's siblings, children of Richard and Sarah were:

1. David, born December 17, 1746
2. Sarah, born January 24, 1748
3. Daniel, born November 8, 1751
4. Sanuel, September 22, 1754, married Sarah Monroe
5. Jemima, born June 29, 1757
6. Mary, born 1760
7. Esau, born May 28, 1763

In 1784 David King was living at Newtown.

In the 1790 census we find a David King at Newtown, CT., with
.....3 males over 16, 1 male under 16, and 8 females

If this is the same David King who went to PA and in the 1800 census (below) .....then the males being over 26 in 1800 were gone from home and the one under 16 also. And the females had dropped in number from 8 to 5.....2 of which would have been born after 1790 and not on the 1790 list. Those under 10 (below) would probably be the products of a 2nd marriage, and probably with a younger woman.
David would have been 54 in 1800. His wife below would have been at least 10 years younger than he was.

In 1800 we find a David King at Tunkhannock Township, Luzerne County, PA. We believe this to be this same David King. The census gives:

1 male under 10 .....born 1790 to 1800
1 male over 45.....born before 1755
2 females under 10.....born 1790 to 1800
2 females 10 to 16.....born 1784 to 1790
1 female 26 to 45.....probably wife, if he remarried after Elizabeth Fitch died.
or possible it was an older daughter, but since there are 3
smaller children, he probably remarried. The daughter Elizabeth
married William Griffin and moved to Danbury. She was married
in 1791.

If this is the David King who went to PA with John Fitch he is listed as having a letter in the Luzerne P. O. November 1, 1812.

.....

From World Connect "Dexendants of Cone, Maxey, Williamson, Henniger and Donithan" we find these notes that my pertain to this David King.
He married an unknown Elizabeth.....we know this David married an Elizabeth Fitch
Had a son Nathaniel King by Elizabeth, date of birth unknown.
He married 2nd an unknown wife.....Eliz. Fitch did die before the Eliz. Ellis will was made
That would have been before 1777/78
Had a son by his 2nd wife
Ervin C. King.....date of birth unknown
This Ervin married Angeline Hixson, born 1845 in PA
Angeline's father was Abraham, born 1798 Tarrs, Westmoreland, PA
mother was Mariah Zimmerman
Ervine and Angeline had 14 children.
Children listed on World Connect. I did not make a copy of them.
Note there is a son listed as under 10 in 1800, born 1790 to 1800. Would make this Ervin
a little old for marriage in 1845.....almost 50. Much more needed on this family.
before we can accept this.

After checking on the Hixson family I find that LDS does not agree with this at all so think it is probably much in error. Will leave it as a hint of where to look. But none of this family seem to lead back to our Nathaniel Fitch King. I find the Abraham who married Mariah was born later than 1798.

Elizabeth Fitch King would have to have died before the writing of the will of Elizabeth Beers Fitch Ellis as the children are called the heirs of Elizabeth.

Marriage of Elizabeth Fitch and David King is found in "Early Connecticut Marriages Prior to 1800, Third Book, Wilton, CT"

Notes

Vol. 12, page 446: JOHN FITCH of Norwalk, will dated August 25, 1748, proved February 16, 1747 or 48. Wife, ELIZABETH, eldest son NATHANIEL, 2nd son JOHN, two daughters ELIZABETH and SUSANNA. Executors, Samuel Fitch and Capt. Samuel Cluckston. See abstract files at CT State Library.

The reference above is incorrect. We now have copies of the complete will and the thing that is not right about this reference is that the will dated August 25, 1748, is the will of John Fitch (#2224) who married Lydia Bushnell. I left it here because you might find it referred to in other places and if you do, recognize that it seems to be a combination of both #2223 and #2224. It was either recorded incorrectly or was taken from the record books incorrectly.

The truth appears to be that #2223 is John, son of Nathaniel (born 1682) , and #2224 is John, brother of Nathaniel (born 1682). The fact that #2223 is numarically before #2224 indicates that it was probably written first, and the date of August of the year 1748 (same year that John #2223 died) shows that John, brother of Nathaniel, probably wrote his will after he had lost his nephew, John. We cannot be sure when John #2224 died but his will was not proved until 1760.

I note in my paperwork that I have a birthdate of Nathaniel as 1735. At this time I am not sure where I found that reference. But since we have found that our John Fitch of PA was born about 1737 by his death notice in the Luzerne Advertiser, and Nathaniel was the older brother, then this seems to be about right.

Vol. 23, page 103: Distribution of the estate of NATHANIEL FITCH of Norwalk made (pursuant to Court Order of March 21, 1786, to JOHN FITCH, 10 acres, 106 rods on Fitch's Plain, 2 acres of swamp at the south end of the plain, 2 acres of woodland at the north end of the plain, and 4 acres and 3 rods of swamp called Woolfe Swamp. ELIZABETH, wife of DAVID KING 2/3 of homestead, house and barn. Each heir got 1/2 of the widow's thirds in the homestead that she held in her son, Nathaniel's estate for life. (this seems to show that the distribution was of the estate of NATHANIEL son of JOHN and ELIZABETH. Possiby the date of 1786 is correct as the distribution may not have happened until the death of the mother ELIZABETH ELIS.)

A quick list of lands in connection with this John Fitch:

Green Farms, which was the home of David King
Westport
Weston
Poplar Plains
Fairfield
Fanton Land
Woolf Swamp
Norfield, or Northfield
Hulls Long Lots
Aspertick River
Second Cross Highway

All these seem to be on the North and East side of Norwalk proper. This is also the same area the Lockwood family lived in. John seems to have sold out some time after 1786 and after the death of his mother Elizabeth Elis.

This is interesting. Hope to know more about it when we get the copies of the deeds.
As we know one John Fitch was a Tory and in prison at Norwich, CT, we hope to be able
to discern which John Fitch it was. Many things indicate that this John may well have
had Tory leanings.

Circumstancial evidence that John Fitch who married Elizabeth Lockwood had Tory leanings:

Friends and acquaintances and relatives also on the Tory list
Nathan Fitch, 2nd or 3rd cousin from the Matthew Fitch line
(unless there was another Nathan that we do not know as yet)
William Fitch of Stamford.....not sure where he fits in but could be the Wm. who

married Elizabeth Holly in Stamford
Nathan Burwell.....witness to the will of Elizabeth Ellis, John's mother
Garner Olmstead.....witness to the will of Elizabeth Ellis, John's mother
Joseph Olmstead.....witness to the will of Elizabeth Ellis, John's mother
James Fillio.....bought some of John Fitch's land about 1786-1789
Ebenezer Church family.....married Susanna Fitch, dau. of Samuel. Some of Samuel's family moved to Chestnut Hill, Poplar Plains area
Gideon Lockwood.....brother of Elizabeth Lockwood, John's wife
Albert Lockwood.....brother of Elizabeth Lockwood, John's wife
Ephraim Lockwood....brother of Elizabeth Lockwood, John's wife
Jabez Sherwood, Jr...might be relative of Matthew Sherwood who moved to PA Matthew's father was probably a Jabez Sherwood.

Elizabeth Lockwood

Notes

Some facts gathered about Elizabeth and her family:

Elizabeth's brothers were Tories
Elizabeth was dead by 1783
Elizabeth's father was dead by 1784
Brother, Ephraim, was dead also by 1784
Brother, Gideon had left his wife, Anna Whitlock & 6 children, to fight for the British
Brother, John Lockwood, Jr. married Abigail Taylor, dau. of Reuben Taylor
married 2. Eunice Squire.
Abigail Taylor's father was Reuben Taylor.....not sure if it was the one who went to PA
Bro. John Lockwood, Jr. and Eunice Squire had a baby baptised at Stamford the
same day that John Fitch and Molly had Betsey baptized, May 20, 1784
Also Samuel Fitch and Olive Stewart/Stuart had a baby baptised that day.
John Fitch, John Lockwood, Jr., and Samuel Fitch were all called of "Norwalk"

In the 1800 Census of Fairfield County, CT we find this which opens a different door of possibilities.

John Fitch.....#176
No males listed
1 female under 10 years.....born 1790-1800
1 female 26 to 45.....born 1755-1774
This might lead us to believe that the census report is for the John Fitch family who died in 1792. If so he died leaving a wife and a small daughter. As John was listed first in the will of grandmother Elizabeth Beers Fitch Ellis, would assume that he would have been the eldest son of John and born around 1770 or before making his wife above, easily fit into the 26 to 45 category in 1800. As this was a possible daughter, and if she lived, then he would have no Fitch descendants, but perhaps did have by a daughter. We need to know more about this John Fitch.

.....

In connection with the above census the John Fitches that would have been in Fairfield Co., CT about this time would have been:

Possible.....John, son of Theophilus who moved to New York, but not sure when. He would have been 60 at this time and probably would not have a young wife and daughter,
even if he had moved on ahead and left his wife and daughter in Norwalk for a time.
From the land records it appears that this John, son of Theo, sold out his homestead
and property in 1794 and would assume he moved to N.Y. with son Esseck at that
time.

John H. Fitch, who was too young at the time to have a family of his own. Our PA John Fitch who was in Pennsylvania by this time
And John Fitch, Jr. who may have either stayed in CT. or went back from PA and died in 1792.

The word "Count" may not be correct
But "Court" does not sound correct and it looks like "Count"

From this accounting it would appear that this John Fitch may have died of smallpox. Might account for the family legend that John Fitch went back to Connecticut, got sick and died there.

I will fill in the dates on the family group sheet even though I do not know for sure if this is the correct John.

We believe that the John Fitch who married Elizabeth Lockwood is the same John Fitch who came to Pennsylvania. Since I have this John in two different files you will have to combine information of the two to make one JOHN. My files are divided. One being the Connecticut Fitch families and the other starting in Wyoming County, PA where the Fitch ancestors pioneered.

We do believe that they are one and the same but have no actual proof at this time so do not want to combine the 2 files until we can be quite sure. I am.....but it would be hard separating them, should we ever find that we are incorrect.

You will find that Gideon and Susannah are listed as children in both files. From Elizabeth Ellis's will I believe that John Jr., Gideon, and Susannah are the children of John Fitch and Elizabeth Lockwood. We know that Elizabeth died before her father's will was made which was in 1783-84. She was called deceased by that time. We also know that John must have married a Mary after that time as we find her name on a deed in Pennsylvania along with John's.

We do not know for sure who Nathaniel's mother was. If he was born in 1782 or 83 then it is possible he was still of John's first wife. Or he might be the child of Mary. The family legend says that Gideon and Nathaniel were half brothers. If that is true, then Nathaniel would be the child of Mary.

We do not know what happened to Susannah. She might have died young or she might have married in Connecticut and never came to PA with the rest of the family. It is doubtful that she was the "Sally" Fitch who married Uriah Smith in Luzerne (Wyoming Co.) PA. "Sally" was called the daughter of John Fitch and we know he had other females in his family in the 1790 census in PA. Sally is usually from "Sarah" not Susanna

If the Betsey Fitch, daughter of John and Molly, baptized in Stamford in May of 1784 belongs to this family, then that would mean that John had remarried by 1783. Elizabeth Ellis's will was written in 1777-78 so even though she didn't die until 1786 the other children were never written up in a new will. That seemed to leave out Nathaniel and maybe Betsey who would have been small children when they moved to PA. There was a Betsey Fitch who married Jeremiah Shaw in Luzerne Co., PA, but we cannot be sure she was of this same family. (No parent is listed) At that time Luzerne Co. covered a lot more territory than Wyoming Co. does today. It appears that the Shaws were from Bradford Co., further north. The marriage was reported in the Wilkesbarre Newspaper. She would have been the right age for this marriage. I have added Betsey to the family but she may have to be removed. Betsey and Jeremiah moved to

New York and though I have looked, have not found what happened to Betsey there.

I have added Gideon because the rest of his life was spent here in Wyoming and Exeter and Northmoreland in this area. Though it is quite certain he was not the child of Mary.

If the two families are put together then the children should be put under the proper mothers when that can be discerned. And there would be only one John. Until then, they will be left separated in two different files. The Regular Fitch Family File contains the PA family and the New Fitch File contains the family from Connecticut. The New Fitch File will also contain many of the founders of Norwalk and the neighbors of the Fitch family there. The Regular Fitch File has from PA on down.

Notes

John Fitch was listed in the 1790 census of Luzerne County (made Wyoming)

John listed in the 1800 Census of Luzerne Co, shows that nearby neighbors of John Fitch were Thaddeus, Noah, Reuben, and Benjamin Taylor, David Morehouse, and Matthew Sherwood.

John listed in the 1810 census of Tunkhannock Township: 1 male over 45, 1 female over 45, and 2 females between 16 and 26.

From the narrative of Zuriel Sherwood:

"Artichokes, ground nuts and large summer grapes grew spontaneously in the swails of the Sherwood and Fitch farms, and in many other places along the river and the settler could have them for the picking."

"At another time John Fitch found a set of harrow teeth, on the Fitch farm, while plowing on the flats near the river bank. At another my brothers, Phineas and Matthew Sherwood found opposite the Morehouse farm 2 hatchets and more" The whole of Zuriel's narrative in the publications of the Wyoming Historical Society called "Lest We Forget".

.....

From Don Fitch a descendant of Giles Fitch, grandson of John: Don found an article at the historical society that stated that John Fitch found some artifacts that belonged to the Tories. One of them was a plow. Perhaps it was article above??

19 December, 1800 John Fitch Northmoreland
Entered December 24, 1800 Application for 300 acres

Whereas by an Act of Assembly passed on the fourth day of April, 1799, entitled an Act for Offering Compensation to the Pennsylvania Claimants of certain lands in the Seventeen Townships in the County of Luzerne and for other purposes therein mentioned and whereas among other things in the same act it is enacted, that those persons called Connecticut Settlers of any time between the passing of the said Act and the First day of January in the year 1801 may apply to the Land Office for their respective Lands agreeably to the tenor of the said Act. NOW, KNOW YE that I John Fitch, a Connec-ticut Settler Claiming Land in the Seventeen Townships do apply to the Land Office of Pennsylvania for Three Hundred Acres of Land situated in the Township of Northmoreland, more or less, adjoining the Land of Matthew Sherwood, of Zuriel Sherwood, and bounded by the River Susquehanna on the West. Hereby engaging that I the said John Fitch will abide by and sub-mit to the determination of the Commissioners, or their Successors in the premises, or to such part thereof as may be released by the Pennsylvania Claimant, conformably to the provisions of said Act. From Records of Luzerne Co., PA shows that John was the father of Gideon and Nathaniel.

August 29, 1803.....JOHN FITCH of Northmoreland Twp., Luzerne Co., PA, conveys to WILLIAM KEELER of the same place for $35 a piece of land in said township lying on the north side of the Susquehanna River, being part of my river lot running as follows.....description.....bounded as follows: South by said river, east by Gideon Osterhout, Jr., North and west by my own lands to the place of the beginning. This is signed JOHN FITCH (his mark) MARY FITCH (her mark).

Witnesses: Joseph Daley and Urania Keeler. Recorded Jan. 26, 1805. Luzerne Co. PA deeds Book 9, page 196.

So far this is the only place where we find John Fitch signing by a mark. If he signed that way in his CT land contracts, it was not mentioned. Might indicate that he could not write, but also could indicate that at the time of the signing he was unable to write. It would be surprising to find that the John Fitch of Norwalk could not write, so this is somewhat of a mystery to me at this time.

From the "Unknown Researcher"

There is filed in the Land Office, Department of Internal Affairs, Harrisburg, PA, a map of Northmoreland Township, one of the 17 townships which was made when the re-surveys were made for the CT claimants. After the Trenton Decree of Dec. 30, 1782, the lands of the CT owners were confiscated. Mr. Daniel, in charge of the land office, told me that the lands granted after the act of 1799 may not have been the lands formerly owned. I found no records of those lands. (The map of Northmoreland Township which shows the lands of JOHN FITCH, MATTHEW SHERWOOD, PAUL KEELER, and THADEUS TAYLOR was traced by this researcher but was not with the report as I received it. BF)

Records of the surveys and certificates of the 17 certified townships and the patents are recorded in the Land Office Department of Internal Affairs, as above mentioned. The records in the name of JOHN FITCH are as follows:

Record of the survey: "Draught of a Tract of Land situated in Northmoreland, one of the 17 townships in Luzerne Co., being 17 in a single Tier of that township and containing 241 acres, 40 perches with the usual allowance of 6% for roads, resurveyed the 8th day of September in the year of our Lord, One Thousand Eight Hundred and Two for JOHN FITCH by order of the commissoners appointed to put in execution an Act of the General Assembly of the State of Pennsylvania, entitled "An Act for offering compensation Claimants of certain land within the 17 townships in the County of Luzerne and for other purposes therein mentioned.

Signed.....Thos Sambourn, Surveyor to the said Commissioners
2nd January, 1804

To Samuel Cochran, Esq., Surveyor General
Records of Certified Townships, Luzerne Co., PA (Book 12, page 57)

The certificate reads: NORTHMORELAND. We the undersigned commissioners, duly appointed for putting in execution an Act of the General Assemby of the State of Pennsylvania entitled "An Act for offering compensation to the PA claimants for certain lands within the 17 townships of the County of Luzerne and for other purposes therein mentioned, passed the 4th day of April 1799, do certify, that John Fitch is the owner as a Connecticut claimant of 241 acres and 40 perches of land in the township of Northmoreland, one of the before mentioned 17 townships, being number 37 in the single tier of that Township which lot was severally occupied by a CT claimant, an actual settler ther before the time of the Decree of Trenton and was particularly assigned to such actual settler prior to the said decree agreeable to the regulations then in force among such settlers. The said land is draught of survey whereof is hereunto annexed is included in the application of JOHN FITCH under the provisions of the acts aforesaid; of which application an official transcript had been submitted to us from the Land Office of the Commonwealth of Pennsylvania No. 624. Of the said tract 15 acres part thereof, are of the 2nd class; 75 acres part thereof are of the 3rd class; and the residue thereof is of the 4th class.

Signed.....Thomas Cooper
J. M. Taylor

January 21st, 1804, Book 12, page 79

The patent to the above-mentioned tract of land is recorded in Patent Book P-60, page 176, and filed in the Land Office, Department of Internal Affairs, and reads:

"The Commonwealth of Pennsylvania, To all to whome these Presents shall come, Greeting: Know ye, that in consideration of the sum of $86.15 now paid by GIDEON FITCH and NATHANIEL FITCH into the Receiver-General's Office of this Commonwealth, there is granted by the said Commonwealth unto the said GIDEON FITCH and NATHANIEL FITCH a certain tract of land, called Union, situated in Northmoreland Township, Luzerne County (Being Lot No. 37) in the single Tier beginning at a chestnut on the Susquehanna, thence up the

same South 60 degrees 30 minutes, West 13 perches to a corner, South 42 degrees, West 165 perches to a corner by Lot No. 36, North 13 degrees 334 perches to a corner, thence by Lot 39, North 75 degrees, East 138 perches and five-tenths to a corner and then by the Town line, South 15 degrees, East 242 perches to the beginning containing 241 acres 40 perches and allowance to which said tract was surveyed to JOHN FITCH who by deed dated the 18th day of February, 1806, conveyed the same to GIDEON FITCH and NATHANIEL FITCH to whom a warrant of acceptance issued the 20th Instant, (Being the same tract of land that was surveyed in pursuance of an Act of the General Assembly entitled 'An act for offering compensation to the Pennsylvania Claimants of certain lands within the 17 townships in the County of Luzerne. And for other purposes mentioned, passed the 4th day of April 1799' Together with several supplements thereto) with the appurtenances. To Have and To Hold, the said tract or parcel of land, with the appurtenances unto the said GIDEON FITCH and NATHANIEL FITCH and their heirs and assigns forever as tenants in common, free and clear of all restrictions and reservations as to mines, royalties, quit-rents or otherwise, excepting and reserving only the fifth part of all, gold and silver ore, for the use of the Commonwealth, to be delivered at the pit's mouth, clear of all charges. In witness whereof Andrew Ellicott Secretary of Land Office of said Commonwealth hath hereto set his hand and the State seal hath hereunto affixed, the 21st day of December in the year of our Lord One Thousand Eight Hundred and Eight (1808) and of the Commonwealth 33d. Attest -- James Trimble, Deputy Secry Comth. Enrolled (or inrolled) the 21st December A.D. 1808."

An original copy of this patent is owned by the Vera Fitch Davis family.

Reuben Taylor lived on the McKeen Flats
Matthew Sherwood, JOHN FITCH and David Morehouse on the flat below
Paul Keeler and Zephaniel Townsend on the Townsend Flat.

.....

From the 1798 Tax records:

JOHN FITCH owned an 18 X 10 house and 2 large barns on 300 acres bounded by the Sherwood property and the Susquehanna River.

.....

From the History of Wyoming County, Falls Township, page 510

"Matthew Sherwood was among the first settlers. He came in the autumn of 1789 from Danbury, Connecticut, with his wife and 7 children and all his earthly effects on a cart drawn by a yoke of oxen and a span of horses. He located two miles up the river from Buttermilk Falls, having bought 200 acres between between the farms of JOHN FITCH and DAVID MOREHOUSE, who had settled here the year before."

.....

TIME LINE

1798.....June.....Road from Wilkes-Barre to Tioga Point was opened to riders on horses. It was called Osterhout Narrows. They proclaimed it safe and convenient. Would probably have gone right through John Fitch's farm along the Susquehanna River.

1806.....May.....Finds a letter for JOHN FITCH at the Wilkes-Barre Post Office
Wonder if it had something to do with the marriage of Sally and Uriah Smith?

1815.....July.....The death of John Fitch was reported in the "Advertiser" on July 24th with not date of death given. Says "John Fitch died in Tunkhannock, aged 78, no date"
This was news as the tradition says he got angry, gave his land to his boys, and went back to CT. He was still in the census at 1810 and on the tax rolls yet in 1813, so it may be that he did not go back to CT, but died locally. Wonder if his tombstone might have gotten lost in the jumble at the old Fitch Cemetery. Or he was buried another place.

I am beginning to believe that the John Fitch who went back to CT was John, Jr. who died there in 1792 and the traditions became mixed up in the telling.

.....

Traditions in the Fitch family that may or may not be true.

1. Tradition that Gideon and Nathaniel were half-brothers. That John was married twice.

2. Tradition that because of all the troubles over the ownership of the lands in Pennsylvania "John was so put out that he refused to ever live on the land given to him. Giving it to his sons, Gideon and Nathaniel, he went back to Conn. and died there in 1815. (Where this date came from, we have no idea)
He was still in PA at the 1810 census. Still there in 1813 on the tax rolls. Not there in the 1820 census.

Mary

Notes

At this point we only know Mary's name from a land contract she signed (her mark) in Luzerne Co., PA. It was signed as Mary Fitch. 1803

Mary was probably the second wife of John Fitch. We believe that his first wife was Elizabeth Lockwood and she would have been the mother of at least John Fitch, Jr., Gideon, and Susannah. Not sure then who else might have been born by the first wife. Some rearranging will have to be done with the children.

At this time the information about this John is in both FTM files, the regular file and the New Fitch file. The New file is actually the old Fitch families back in CT and the regular file takes them down from PA. I was waiting on just a little more proof before I combined the two and then will combine the two files. At this time then, the Fitch family back further than this John is in the "New Fitch Family File".

Also then in discovering that John Fitch apparently died in Tunkhannock in 1815, we wonder what happened to Mary?? She was alive yet in 1803 when she had put her mark on a legal document. See the document under John.

.....

As to who Mary was.....

Am doing some research on the names Seymour, Spencer, Morgan, and Perry to see if there might have been a Mary in those families. Nathaniel named his sons the above. Seymour was an old name in the Fitch family, but Spencer, Morgan and Perry had not been found there before. Know there were Spencer and Perry families around in Norwalk as well as PA. A possible connection. *

If indeed they were the parents of Betsey, baptised 1784 in Stamford, then she was more than likely a Connecticut Mary.

There was a Mary Perry, daughter of Nathaniel Perry. This Mary was born about 1747 and was not given a husband by Jacobus. They were from Wilton, the right area. Age could be about right.

The 1810 census gives them with 2 females in the 16 to 26 range, born 1784 to 1794 which could still be daughters of Mary, born 1747.....birthing age up to 50 years (1797). Both Betsey and Sarah would have been married and gone by then, one in 1803 and one in 1806. So these would probably be girls we do not have names for. In 1790 there were 5 females:

1. Mary
2. Possibly Betsey
3. Possibly Sarah
4. Unknown
5. Unknown

The 2 "unknowns" could be the 2 that are in the 16 to 26 year bracket in 1810

From the "Unknown Researcher"

There is filed in the Land Office, Department of Internal Affairs, Harrisburg, PA, a map of Northmoreland Township, one of the 17 townships which was made when the re-surveys were made for the CT claimants. After the Trenton Decree of Dec. 30, 1782, the lands of the CT owners were confiscated. Mr. Daniel, in charge of the land office, told me that the lands granted after the act of 1799 may not have been the lands formerly owned. I

found no records of those lands. (The map of Northmoreland Township which shows the lands of JOHN FITCH, MATTHEW SHERWOOD, PAUL KEELER, and THADEUS TAYLOR was traced by this researcher but was not with the report as I received it. BF)

Records of the surveys and certificates of the 17 certified townships and the patents are recorded in the Land Office Department of Internal Affairs, as above mentioned. The records in the name of JOHN FITCH are as follows:

Record of the survey: "Draught of a Tract of Land situated in Northmoreland, one of the 17 townships in Luzerne Co., being 17 in a single Tier of that township and containing 241 acres, 40 perches with the usual allowance of 6% for roads, resurveyed the 8th day of September in the year of our Lord, One Thousand Eight Hundred and Two for JOHN FITCH by order of the commissoners appointed to put in execution an Act of the General Assembly of the State of Pennsylvania, entitled "An Act for offering compensation Claimants of certain land within the 17 townships in the County of Luzerne and for other purposes therein mentioned.

A petition sent to Congress in 1801 and read in January of 1802, asking for some "mercy" on those that had fought and lost family members and friends in the war to save the land they were living on, and were in jeopardy of being driven off and losing all they fought for. . Not that all these were living on it at the time of the Rev. War, but they were children or relatives of those that had. Included in the names we find NATHANIEL FITCH, GIDEON FITCH, JOHN FITCH, DAVID MOREHOUSE, JESSE DICKSON, PAUL KEELER, AND DAVID KING. Also REUBEN TAYLOR, ZURIEL SHERWOOD, THADDEUS AND BENJAMIN TAYLOR and many others whose names are familiar to us through the Fitch and Keeler families.

In Luzerne County, PA, deeds book 34, 121 deed dated December 15, 1837, recorded July 16, 1838, Nathaniel deeded land to son, Spencer Fitch, for $4,000.

Another deed record, deed book 35, 359 shows that Nathaniel released 700 acres on the East Branch of Buttermilk Falls to Seymour Fitch.

From the Tax Rolls of Tunkhannock Township, Wyoming County, PA.....sent to me by Ann Hassold:

1806.....Nathaniel Fitch.....seated lands 100, valuation 75.....2 oxen, valuation 28..... 1 cow, valuation, 10.....Total amount 113

1807.....Nathaniel Fitch.....seated lands 200, valuation 230.....4 cattle, valuation 55..... Total amount.....285 (though it looks like 385)

1813.....Nathaniel Fitch.....Valuation 465

.....

Both Nathaniel and Sarah had been buried in the old Fitch Cemetery.....which in 1975 was moved to a spot just outside the Robert's Cemetery. There gravestones are there now so if you look for them they are just outside the fence at the Robert's Cemetery off Road 92 in Falls Township, Wyoming County, PA.

The marriage date is given as August 29, 1801 in the family history of Pearl Diehl. However, she has many other mistakes. Shoemaker gives the date as August 29, 1803. If Seymour was born in 1802, then probably the correct date is 1801. (Pearl is Pearl Fitch Diehl who wrote up the history of the family as she found it. She has many errors so hard to chose what is correct and what is not.)

From the "Unknown Researcher"

There is filed in the Land Office, Department of Internal Affairs, Harrisburg, PA, a map of Northmoreland Township, one of the 17 townships which was made when the re-surveys were made for the CT claimants. After the Trenton Decree of Dec. 30, 1782, the lands of the CT owners were confiscated. Mr. Daniel, in charge of the land office, told me that the lands granted after the act of 1799 may not have been the lands formerly owned. I found no records of those lands. (The map of Northmoreland Township which shows the lands of JOHN FITCH, MATTHEW SHERWOOD, PAUL KEELER, and THADEUS TAYLOR was traced by this researcher but was not with the report as I received it. BF)

Records of the surveys and certificates of the 17 certified townships and the patents are recorded in the Land Office Department of Internal Affairs, as above mentioned. The records in the name of JOHN FITCH are as follows:

Record of the survey: "Draught of a Tract of Land situated in Northmoreland, one of the 17 townships in Luzerne Co., being 17 in a single Tier of that township and containing 241 acres, 40 perches with the usual allowance of 6% for roads, resurveyed the 8th day of September in the year of our Lord, One Thousand Eight Hundred and Two for JOHN FITCH by order of the commissoners appointed to put in execution an Act of the General Assembly of the State of Pennsylvania, entitled "An Act for offering compensation Claimants of certain land within the 17 townships in the County of Luzerne and for other purposes therein mentioned.

Signed.....Thos Sambourn, Surveyor to the said Commissioners
2nd January, 1804

To Samuel Cochran, Esq., Surveyor General
Records of Certified Townships, Luzerne Co., PA (Book 12, page 57)

The certificate reads: NORTHMORELAND. We the undersigned commissioners, duly appointed for putting in execution an Act of the General Assemby of the State of Pennsylvania entitled "An Act for offering compensation to the PA claimants for certain lands within the 17 townships of the County of Luzerne and for other purposes therein mentioned, passed the 4th day of April 1799, do certify, that John Fitch is the owner as a Connecticut claimant of 241 acres and 40 perches of land in the township of Northmoreland, one of the before mentioned 17 townships, being number 37 in the single tier of that Township which lot was severally occupied by a CT claimant, an actual settler ther before the time of the Decree of Trenton and was particularly assigned to such actual settler prior to the said decree agreeable to the regulations then in force among such settlers. The said land is draught of survey whereof is hereunto annexed is included in the application of JOHN FITCH under the provisions of the acts aforesaid; of which application an official transcript had been submitted to us from the Land Office of the Commonwealth of Pennsylvania No. 624. Of the said tract 15 acres part thereof, are of the 2nd class; 75 acres part thereof are of the 3rd class; and the residue thereof is of the 4th class.

Signed.....Thomas Cooper
J. M. Taylor

January 21st, 1804, Book 12, page 79

The patent to the above-mentioned tract of land is recorded in Patent Book P-60, page 176, and filed in the Land Office, Department of Internal Affairs, and reads:

"The Commonwealth of Pennsylvania, To all to whome these Presents shall come, Greeting: Know ye, that in consideration of the sum of $86.15 now paid by GIDEON FITCH and NATHANIEL FITCH into the Receiver-General's Office of this Commonwealth, there is granted by the said Commonwealth unto the said GIDEON FITCH and NATHANIEL FITCH a certain tract of land, called Union, situated in Northmoreland Township, Luzerne County (Being Lot No. 37) in the single Tier beginning at a chestnut on the Susquehanna, thence up the same South 60 degrees 30 minutes, West 13 perches to a corner, South 42 degrees, West 165 perches to a corner by Lot No. 36, North 13 degrees 334 perches to a corner, thence by Lot 39, North 75 degrees, East 138 perches and five-tenths to a corner and then by the Town line, South 15 degrees, East 242 perches to the beginning containing 241 acres 40 perches and allowance to which said tract was surveyed to JOHN FITCH who by deed dated the 18th day of February, 1806, conveyed the same to GIDEON FITCH and NATHANIEL FITCH to whom a warrant of acceptance issued the 20th Instant, (Being the same tract of land that was surveyed in pursuance of an Act of the General Assembly entitled 'An act for offering compensation to the Pennsylvania Claimants of certain lands within the 17 townships in the County of Luzerne. "The Robert's Cemetery near Falls, Wyoming Co., PA., is on the MOREHOUSE homestead and was deeded August 3, 1822 by Henry Roberts to Abraham Holmes and NATHANIEL FITCH in trust for the inhabitants residing near the piece of ground hereafter mentioned. " The Henry Roberts deed conveyed 108 perches of land for the use of the inhabitants to be used as a burial ground or place of interment and for nothing else except for a meeting house. The land described as a part of Lot 39 granted DAVID MOREHOUSE, July 3, 1812". (This may be an error as from the map it appears that the farm of David Morehouse was on Lot #35. Map in the Land Office, Dept. of Internal Affairs.)

NATHANIEL FITCH died intestate. Letters of Administration were granted October 7, 1839, to SPENCER FITCH. Amount of the administrator's bond was $1,000 with Elisha Armstrong as surety. Inventory taken October 28, 1839, but there is no record of it in the register of wills in Luzerne County and none of the original papers are in the files. Many of the original papers are missing from the files in the Register of Wills of Luzerne County. (Spencer here may be transcribed wrong and it is Seymour)

The Republican Farmer and Democrat Journal, Wilkes Barre, PA., issue of October 16, 1839, give the following notice: All persons indebted to the estate of NATHANIEL FITCH, late of Falls Township, to call and made immediate payment. Signed.....SEYMOUR FITCH, Admr. Dated Falls, October 9, 1839

Both Spencer and Seymour were listed here as administrator. So probably it was Seymour as his name is signed Seymour Fitch, Admr.

From a history of Falls Township we find this interesting story of Nathaniel Fitch:
Taken from "Lest We Forget" publication of the WCHS, Sept. 15, 2002, Vol. 22 #1

"Jonathan Bulkley, who was once Sheriff of Luzerne county and was made so by the large vote he received in Tunkhannock, was the owner of the land about the Buttermilk Falls, of whom Jacob Sickler purchased. Sickler was an active business man with a large family. He died about 1830. About a half mile up Falls Creek lived John Osterhout, who was a man of strong common sense and always to be heard in any company he was in. He died in 1844. James McKune became the owner of his large and valuable farm. On the flats above the Falls were the Sherwoods, Phineas and Matthew. Phineas was the father of Esquire Sherwood of Mill City. He was fond of hunting and kept hounds. Above him lived a man by the name of Morehouse, a relative of Judge Henry Roberts, and who after the death of Morehouse, became the owner of his farm. Back of Sherwood's lived NATHANIEL FITCH, the father of GILES. I remember that he came to my house one evening after he had been to Tunkhannock at the General Training. He had his gun with him. Said he, "THIS IS MY LAST YEAR OF TRAINING. BEFORE THE NEXT TRAINING I SHALL BE 45 AND MY BOYS MUST DO IT HEREAFTER. I HAVE BOUGHT EACH OF THEM A GUN, AND SO FAR AS I AM CONCERNED THE SAFETY OF THE COUNTRY MUST BE LEFT TO THEM. It was a few years after the War of 1812. On the flats above lived Noah and Thaddeus Taylor, Abraham Holmes and David Daily, all men of mark and who left their impress upon the neighborhood. "

This was an interesting history of Falls Township written apparently by a local living at the time. The piece had been printed in the Wyoming Democrat, July 16, 1879. A few of the other interesting points that might concern the Fitch family:

Those in the township of Falls went to Tunkhannock to do their voting, general military trainings, etc.
Breeches Pond.....name was changed to Lake Winola. It was shaped like "breeches".

My own comments on some of the above.....
The Morehouse original settler was David Morehouse. One of his daughters married into the Roberts family. His farm was originally beside the Fitch farm when John Fitch came from CT.
The Robert's Cemetery is on the original Morehouse farm.
Suppose the gun that our Nathaniel, Jr. brought to Indiana was the very gun that his father bought for him. If Nathaniel was nearing 45, it was probably about 1824-25 the incident took place.

Do you suppose that gun was donated to the Fort Wayne Historical Society?? Or is it buried on the farm somewhere, where they tossed it away???

1 female 20 to 30
1 female 40 to 50

1830 Census, Falls Township, Luzerne County, PA
1 male 20 to 30 Seymour
1 female 15 to 20 Elizabeth

A note on Gideon's Orphan Court Records states that SEYMOUR Fitch may have been the administrator or overseer of Gideon's children, but calls him "late of Newton Township, Luzerne County, PA. This was written in 1856 and Henry Roberts was the administrator of Gideon's estate.
Difference here was his place of residence, as it says late of Newton Township.

.....

Kevin Sives has the 1850 Census for Seymour which is #115 and lists eldest Daughter, Sarah as 18.

August 23, 1839.....NATHANIEL FITCH of Falls Township, Luzerne Co., PA, to SEYMOUR FITCH for ALLEN FITCH of the same place for $5 land in Falls Township beginning at the northwest corner of Aaron Willson's and thence on said line (degrees and perches) to the place of beginning containing 155 acres 112 perches.
Signed, Nathaniel Fitch, No signature of wife

Witnesses: Thomas Hadley and Sarah Fitch. Recorded September 30, 1839 (Book 35, page 342)

.....

On the same day, August 23, 1939, NATHANIEL FITCH of Falls Township agrees to release and convey all my rite titll interest and claim to a parcel of land in Falls Township unto SEYMOUR FITCH on the west branch of Buttermilk Falls creek with sawmill, house and barn thereon the land known by the name of the Asley land. The condition of the above release is such that the said SEYMOUR FITCH is to let the said NATHANIEL FITCH live on the said above described land during his natural life and also to have all rents and profits arising therefrom.

Signed, NATHANIEL FITCH
SEYMOUR FITCH

Witnesses: Thomas Hadley and Sarah Fitch. Recorded October 7, 1939 (Book 35, page 359)

.....

NATHANIEL FITCH died intestate. Letters of Administration were granted October 7, 1839, to SPENCER FITCH. Amount of the administrator's bond was $1,000 with Elisha Armstrong as surety. Inventory taken October 28, 1839, but there is no record of it in the register of wills in Luzerne County and none of the original papers are in the files. Many of the original papers are missing from the files in the Register of Wills of Luzerne County. (Spencer here may be transcribed wrong and it appears to have been Seymour)

The Republican Farmer and Democrat Journal, Wilkes Barre, PA., issue of October 16, 1839, give the following notice: All persons indebted to the estate of NATHANIEL FITCH, late of Falls Township, to call and made immediate payment. Signed.....SEYMOUR FITCH, Admr. Dated Falls, October 9, 1839

Both Spencer and Seymour were listed here as administrator. So probably it was Seymour as his name is signed Seymour Fitch, Admr.

Giles Fitch from "Portrait and Biographical Record of Wyoming and Lackawanna Co., PA"

Giles Fitch, Sr. early learned the blacksmith trade and in parternership with his brother, Nathaniel, engaged in the manufacture of guns, turning every part by hand, making some very handsome ones, showing superior workmanship. Giles also became a shoemaker and a carpenter, always making his own shoes and built the house himself in which he lived the latter part of his life on his farm in Falls Township. He enjoyed best the hours spent in his shop and always took pride in keeping in repair the wagon which his grandfather, John Fitch, drove through the woods from Connecticut.

Giles Fitch was born June 9, 1804 and died July 19, 1853, at the age of about 53. (?). He is buried in Roberts Cemetery, Falls Township, Wyoming County, PA. He married Emily Goodale who was born July 19, 1805/06 and died August 3, 1873 and she is also buried in Roberts Cemetery. They were married February 17, 1821. Emily's mother was named Hannah and she was living with them when she died.

.....

Had recorded another child from one source or another by the name of "Hammil". This is probably just a mistake somewhere along the line. Can correct it or name the source when I find it again.

.....

On the 1880 census of Falls Township, Wyoming Co., Pa, we find that GILES was living with his son, ASHER and is listed as GILES FITCH, Widower, age 75, father of Asher. Also states that GILES was born in

Pennsylvania and his parents were born in Connecticut.

.....

From a descendant of Giles Fitch (Don Fitch) we hear a little more about Giles. "Giles and Nathaniel, Jr worked as partners as blacksmiths in the manufacture of guns. My grandfather (William Fitch) had possession of these guns until they got mixed up in the estate of a friend who passed away unexpectedly. I (Don) still have some of the homemade carving tools."

.....

From a list of Registered Voters from 1875 for Falls Twp, we find these Fitch names:
Frank, Harvey, Spencer, Nathaniel, Giles, Asher and Giles, Jr.

.....

Giles Fitch appeared on a list of jurors drawn for the November term, 1838. Said to be from Falls. Other jurors we might know were Matthew Sherwood of Falls and David Goodale of Tunkhannock.

Genealogy by Marge Gray:

Appeared on the 1810 census, in Tunkhannock Twp., Luzerne Co., PA
He appears on the 1860 census in Falls Twp., Wyoming Co., PA
He appears on the 1870 census in Overfield Twp., Wyoming Co., PA
He was a farmer on the 1870 census
He appears on the 1880 census in Overfield Twp., Wyoming Co., PA
He died on December 4, 1888 in Lake Winola, Wyoming, PA and buried there.

In 1880 Morgan was listed as a member of the Mill City Baptist Church. Along with him is Mary Ann Fitch, who would be his wife, and Margaret Fitch, who probably was his daughter.

In 1844 Mary Ann Fitch and Sarah Fitch were baptized into the Mill City Baptist Church. Probably Morgan's wife and daughter Sarah, who was born in 1832, meaning she would have been 12 yrs.

Paragraph from WHS .... Morgan Fitch, farmer, was born in Falls Township, in 1809, and married Mary A. Williams in 1828. They have 11 children, 8 of whom are living.
.....

Interesting note sent to me by Chris Barnes (SICKLER/TOWNSEND) about Morgan. When the Consider Townsend estate was settled Morgan Fitch purchased the Townsend dinner bell for a whopping price of $1.09. He found this in the inventory of Consider's estate. Chris comments on how many Townsends were called to dinner by this bell, and no doubt many Fitches after that time.
Consider died in 1861 when Morgan would have been about 52. Perhaps it called some grandchildren to dinner too.

1840 Census of Falls Township, Luzerne County, PA

Spencer Fitch 2 males under 5
1 male 20 to 30, himself
1 female 10 to 30, his wife Elizabeth

Genealogy by Marge Gray:

Spencer was a farmer between 1829 and 1880 in Wyoming Co., PA.
Appeared on the 1850 census in Falls Twp., Wyoming Co., PA, #112
Appeared on the 1860 census in Falls Twp., Wyoming Co., PA
Appeared on the 1870 census in Falls Twp., Wyoming Co., PA
Appeared on the 1880 census in Falls Twp., Wyoming Co., PA
He signed a will on September 13, 1895 in Falls Twp., Wyoming Co., PA
He died on October 4, 1895 in Falls Twp., Wyoming Co., PA
He was buried in Roberts Cemetery, Falls Twp., Wyoming Co., PA

The farm on which Spencer Fitch lived, was cleared by his Grandfather. This paragraph also said they had 8 children. One has not been named on my list. Spencer's grandfather would have been John Fitch.

Scott Sickler has in his genealogy two more children and names them Spencer, born 1846 and Elizabeth, born 1848. That would make the list Frank A. (or Francis), Alfred, Lydia, Nathaniel, Spencer, Elizabeth, John, Clinton S., and Rose giving me a total of 9 if all are correct.

Perhaps C.S. or Clinton S. is Clinton Spencer. Rosetta would be Rose.

There was a question if Sarah Keeler Fitch lived with Spencer or Seymour but from the names of the children found in the 1850 census that does say "Seymour" it would appear that she was living with Seymour. Need to check and see if I have the 1850 census for Spencer then. (See Seymour's notes)

Notes

From Ann Hassold:

Her tombstone and her husband Spencer's were originally in the Fitch Cemetery and moved to the Roberts Cemetery with the rest of the Fitch folks about 1975 when the land was sold for a gravel pit.

Their marriage is recorded in the Michael Shoemaker Book, page 466

She had 7 children all born in Falls Township, between 1836 and 1855.

The two additional children Rose and Joseph are thought to be grandchildren. They are found in the census of 1870 and 1880. Joseph is so identified in 1880 (Yes, Joseph is the son of Lydia).

Rose is identified as a daughter in Spencer's will as being married to a Wall. BF

Elizabeth Sickler is found in the 1850 Census of Falls Twp. Wyoming Co., PA under #112

Not named

The names of Harvey and Martin Sickler are found in various wills. No children listed in the will of John Sickler.

Information received from Ann Hassold shows that the 4 boys Martin, Jefferson, Andy, and Everett were the children of Sarah Fitch and John Sickler. Sarah was at the home of her son, Jefferson, in Harmony, Jerauld, South Dakota, when she died. He shipped her body back to Mill City, Wyoming County, PA, for burial. Ann got this information from the obituary of Sarah found in the WHSoc. newspapers.

The dates on the tombstone in Fairview Cemetery, Overfield, Twp., near Falls gives 1812-1863

.....

Reported in the NORTH BRANCH DEMOCRAT or the WYOMING DEMOCRAT for November 11, 1863 we find this notice.

John Sickler, died the 4th of November, 1863, at State Lunatic Hospital, Harrisburg, of Apoplexy, aged 52 years, resident of Overfield Township (See article). Article would no doubt be in the above papers of the correct date. This would make his birthday a little earlier than the 1814 taken from the census record and would be 1811/1812 more closely matching the tombstone date of 1812.

Notes

Written by Ann Sickler Hassold in reply to my sending a photograph of Jefferson Sickler.....
Jefferson Sickler was born May 17, 1743 to John Sickler (June 1814 NY-Nov. 9, 1863, Overfield Twp Wyoming PA) and Sarah Fitch Sickler (April 16, 1821 Luzerne, PA-January 8, 1890, Harmony, Jerauld, South Dakota) John Sickler was the son of Jacob Sickler and Hannah Chatfield Sickler. Sarah Fitch was the daughter of Nathaniel and Sarah Keeler Fitch. Jefferson was the 2nd son in the family of four boys, all of whom were very young when their father died. Jeff married Mary Jane Hand, August 3, 1868, in Allen County, Indiana. In 1890 he was in Harmony, Jerauld County, SD when his mother who was either living with him or visiting, died. He shipped her body back to Mill City for services and burial. Information is from her obituary. Jefferson died March 10, 1916 in Santa Cruz, California. His youngest brother Everett died in the same place in 1927.

.....

From the Hand Genealogy given to the Huntertown Historical Society: Mary Jane Hand married Jefferson Sickler about 1870. The Sicklers lived a half mile west of the Hand Farm. In 1883 the Sicklers moved to South Dakota to take up land from the government. The land was near Wassington Springs. They retired in later years and moved to Santa Cruz, California. they had four children and one of the children had a clothing store there. Jefferson died in 1917. One son was called Everett and a daughter, Sarah who later married a Jacobs. She lived in Seattle, Washington in the 1930's.

Also this paragraph: Mary Jane married Jefferson Sickler about 1870. Their children were Cora, George, and Sarah. They lived in the house later occupied by the Perry family, located west of the Anderson school on what was later known as the "Carroll" Road in Eel River Township. In 1883 Aunt Jane and Uncle Jeff took up government land in South Dakota near Wassington Springs. Uncle Jeff was successful there, then retired, and moved to Santa Cruz, on the California coast south of San Francisco, owning a home on Branciforte Ave. After Uncle Jeff died in 1917 Aunt Jane sent money to Zelpha Hand, asking her niece to come visit her. Zelpha did and stayed in California 4 years. Then returned to Indiana.

.....

From two accounts we get the names of 3 of the children:

Everett George Sickler
Sarah Sickler
Cora Sickler

.....

Jefferson Sickler was a Mason. He belonged to the Henry King Lodge 382, Huntertown, IN in the year 1879. In that year her was elected as S. W. and he had probably been in the lodge in years before that. In that same year we find that an E. Sickler was also a member of the lodge. His son Everett would have been too young at that time. But Jefferson had a brother by the name of Everett and it appears that he might have then been living in Indiana also. At least some E. Sickler was a member of the same lodge that Jefferson belonged to.

Renun. of widow Nancy August 13, 1857 Inventory May 12, 1858

.....

Elijah was married to Nancy Fitch, daughter of Nathaniel and Sarah, and after he died Nancy married Newman Miller. He had just lost his wife Caroline. "Marriage of Newman Miller and Mrs. Nancy Jenkins, both of Tunkhannock on the 14th of September, 1863, by Rev. C.R. Lane."

Newspaper Obituary: Elijah Jenkins died in Tunkhannock Township, on Saturday the 25th of July, in the 41st year of his age, of comsumption. Mentions a bereaved wife and three orphan children not named.

Obituary of Elijah Jenkins mother: Mrs. Elizabeth Jenkins, aged 91 years, died in Tunkhannock Township, on Monday the 8th of September 1845, at the residence of her son, Jabez Jenkins. She was of the oldest inhabitants of this section of the country, and was in the Jenkin's Fort in Exeter at the time of the battle with the Tories and Indians. She was originally from Groton, CT. Written September 17, 1845. (Her birthyear would have been about 1754) (She would be Elijah's grandmother, and the mother of Jabez. See notes below)

Have another that is also marked as Elijah's mother so will place this here and take the wrong one out when I find out which is correct:

Mrs. Permelia Jenkins, consort of Jabez Jenkins, Esq. died on Friday the 17th of July, 1851, at LaGrange, in Tunkhannock Township, in the 66th year of her age. (This would make her born in 1785) and very possibly Elijah's mother. If so then the above was no doubt one generation older as she was called the mother of Jabez.

Another link in the family of Elijah would be Mary Jenkins who married Thomas Osterhout. Mary was born July 18, 1818 and died October 22, 1857. She was the daughter of Permelia Barnum and Jabez Jenkins, making her a sister to Elijah.

Shoemaker says that the parents of Elijah were Jabez and Permelia (Barnum) Jenkins buried at Gravel Hill, Tunkhannock, PA.

One note is of Jackson Cemetery. Showmaker says it was at LaGrange, PA. There are several references to being buried in Jackson Cemetery, having to do with a Dr. Jackson.

Shoemaker says Jabez Jenkins was the son of Stephen Jenkins and Elizabeth Jaques. He was married to Permelia daughter of Stephen and Ruth Barnum. They established their home near what is now LaGrange, Wyoming Co., PA. He became a prosperous farmer and a leading citizen of Wyoming Co. With his wife and mother he is buried in the Jackson Cemetery at LaGrange. This helps to clear up the death notice of Elizabeth, above, as she would have been the mother of Jabez and the grandmother of Elijah. At one place I read that she had been captured by the Indians, Apparently if she was they did not hold her as she lived 91 years and was in the home of her son, Jabez, when she died.

Children of Jabez and Permelia were: (brothers and sisters of Elijah)

1. Ruth, born 1811 m. Stephen G. Harding
2. Mahala, born 1813 m. Thomas Miller
3. Palmer, born 1814 m. Jane Brown
4. Elijah, born 1816 m. Nancy Fitch
5. Mary, born 1818 m. Thomas Osterhout
6. Caroline, born 1820 m. Newman Miller
7. Jonathan, born 1821 m. Alzina Forman
8. Zenus Barnum, 1823 m. Climena Stephens

9. Martha, born 1826 m. John Lee
10. David Barnum, 1828 m. Sarah A. Harris

Marge gives her a middle name of Sarah

Have a Will of a MARY ANN DEUBLER but not sure if this is our Mary or not. There are differing death dates.

MARY ANN DEUBLER, died June 29, 1882
Bond of Christian Deubler and James Deubler, C.P. Miller, February 18, 1884, $1,500
Letters, February 18, 1884
Inventory and App., February 19, 1884
Final Accounting, June 23, 1885.

After looking carefully this may be a sister to Christian rather than his wife Mary as Christian himself died in 1896 and called his wife Mary in his will. More info needed. Or perhaps a sister, or even his mother, since I have nothing on the parents at this time.

Notes
Nathaniel from Griswolds

Nathaniel and Sarah Elizabeth DeLong Fitch, the former native of Pennsyl-vania and the latter of Ohio, their marriage having been solemnized in Allen County, Indiana. Nathaniel Fitch, Jr., bore the full name of his father, who was a successful agriculturist in Pennsylvania. Reared and educated in the old Key-stone state, Nathaniel, Jr., was a young man when he came from Pennsylvania to Allen County, in 1832, and obtained a homestead claim of government land in Perry Township (Possible that it was in DeKalb County and not Allen. He purchased land in Allen County that was his "homestead" and where he lived the rest of his life.) His home farm was 2 and ½ miles East of the village of Huntertown. He was a blacksmith by trade and it is worthy of historic note that he forged the lock irons used on the old canal extending from Fort Wayne to the Wabash River. He reclaimed his farm from virtual wilderness and became one of the honored and influential citizens of Perry Township. His marriage to Miss Sarah E. DeLong was solemnized on June 14, 1840 (May be June 4) and they forthwith established their home on the pioneer farm in Perry Township, where Mr. Fitch also established a blacksmith shop in which he continued to do a large amount of work at his trade, being one of the pioneer exponents of this sturdy vocation within the borders of Allen County. His shop is still standing and is one of the pioneer landmarks of this part of the county. Mr. Fitch developed one of the excellent farms of the county, was active in community affairs and served for a number of years as township trus-tee. He was about 70 years of age at the time of his death and his widow, one of the gracious and revered pioneer women of the county, attained to the ven-erable age of 90 years. Mr. Fitch left the parental home when he was a lad of but 15 years*, and he bore with him in a bandana handkerchief all of his worldly possessions, except the rifle which he considered an essential part of his equipment. He made the journey from Pennsylvania to Indiana on foot and eventually became one of the largest landholders in this county, his estate at one time having 2,300 acres besides which he became owner of land in Iowa. He was one of the most vigorous and ambitious of all the pioneers of Allen County and in addition to his farming industry and his work as a blacksmith, owned and operated a sawmill near the DeKalb County line and developed also a sub-stantial wool carding business. He was especially well-known for his great pedestrian powers, and he almost invariably made trips to and from his farm to Fort Wayne on foot. The ruins of his pioneer mill, which was operated by water power, are still to be seen, and in all, he was a sterling and progressive citizen who contributed much to the furtherance of civic and material develop-ment and advancement in Allen County. He and his wife, who shared with him in the vicissitudes of pioneer life and in the prosperity of later years, her death having occurred, September 6, 1908, became the parents of 14 children, and thus gave their full quota of hostages to fortune.

*(If Nathaniel came to Indiana in 1832, he would have been 26 years old at the time. He did leave home to go to Easton, PA, to learn blacksmithing when he was young, and might have been 15 at that time. Apparently he did not like that and ran away and just started working as a blacksmith on what little he had learned while there.)

From the family history: Nathaniel and Giles opened a blacksmith shop on the old homestead in partnership. "Nat" said that there was not enough work for both of them, so he sold out and went west alone through the woods, his only baggage being his rifle, hatchet, and sack of salt.

Giles visited him at Fort Wayne once and Nat visited in PA.

Nathaniel's tombstone says that he was born in 1808, however, any family genealogies that I have seen says that it was 1806.

Nathaniel and Sarah started their married life in a log cabin. They built their frame home in the 1850s on their farm in Perry Township, Allen County, IN. It is still standing. I will add land transactions here later.

Estate of Henry Fair to Nathaniel Fitch, 1856 ....
After Henry Fair went West and did not return he was presumed dead. Possibly they knew he was dead. Have no information on that at this time, but part of his estate was sold to Nathaniel. Henry's son Christian Norman Fair would eventually marry Francelia Fair one of the twins of Nathaniel and Sarah. This apparently was some of the land that was in DeKalb County and Allen County next to each other so would say it was part of the Mathias Fitch land and some that eventually was owned by John Fitch and family. Nathaniel paid $1,600 for the land.

Elizabeth Fair to Nathaniel Fitch, 1856 ....
Elizabeth received a life lease on 36 of the acres in the above estate and she sold those to Nathaniel also for $500.

George DeLong to Nathaniel Fitch, 1857 ....
After the death of George Washinton DeLong, Nathaniel bought a part of his estate "on the court house steps". This was apparently part of the land that was next to his original homestead land that he bought from Wesley Park. George's wife Julia Ann also turned over her portion of the estate in 1857. Nathaniel paid $1,500 for this property.

Clark to Fitch .... 1865 This was the land that the mill race was on and Nathaniel paid $100 for the rights to this land as long as he was using it. When he stopped using it, it reverted back to the original owner, Oran Clark. It probably was land so he could have access to the mill race and taking care of it properly.

PERRY CENTRE CEMINARY.....Perry Township, Allen County, Indiana

In 1856, Nathaniel Fitch, Jacob Kell, and George Gloyd, incorporated the seminary known by this name. They

were moved by laudable desire to establish in this township a first-class institution of learning and with that end in view erected near the center of the township a large frame building and in the winter of that year, secured the services of Prof. T. W. Tilden, as teacher. In 1860, it was divided into three departments or grades and Prof. Tilden retained as principal with two able assistants in the other grades. Its pupils came from Noble, DeKalb, Allen, LaGrange, and other counties in the state. The course was academic, including the languages, higher mathematics, philosophy, astronomy, etc. Among the pupils were Charles Fitch, a resident of the same state is a deputy sheriff, Jerome Gloyd, trustee of Perry Township, Miss Jennie Fitch, professer of Latin and Greek at Logansport, Indiana.

.....

From Allen County History from the Ft. Wayne Library:

FIRST BLACKSMITH.....Nathaniel Fitch, in 1837, started the fires of his forge and later in the same year James Vandergrift opened a shop in another part of the township. Both were engaged in the manufacture of plowshares and steel traps.

FIRST MARRIAGE.....In 1840 Nathaniel Fitch and Miss Sarah DeLong were married in the residence of the bride's parents. (This is probably a mistake as the home of her parents was in Miami County, Ohio, and her father was dead at the time of the marriage. He died in 1836. The only George DeLong in Allen or DeKalb Counties was buried in Cedar Chapel Cemetery and was a very early pioneer to this county. From the information we have at this time, this George DeLong, would have been a cousin to Sarah. He would have been George Washington DeLong, son of Joseph DeLong who was the brother of Sarah's father.)

.....

Also, this paragraph:

Nathaniel Fitch, an unmarried man, came from Pennsylvania in the year 1833, and after clearing a farm, married Sarah DeLong, and reared a large family, several of whom are now living in the township. He was a man of great natural ability, and was highly esteemed by his neighbors. He was a blacksmith and conducted that trade in connection with farming. A long life of labors and industry brought him a rich return and made him possesser of a fine fortune. He remained in the township until his death in January 1877.

.....

From "Portrait and Biographical Record of Wyoming and Lackawanna County, PA"

Giles Fitch, Sr. early learned the blacksmith trade and in parternership with his brother, NATHANIEL, engaged in the manufacture of guns, turning every part by hand, making some very handsome ones, showing superior workmanship.

Notes
I will fill in stories of Sarah here later on.

One Note: It would appear that Sarah and her sister, Ellen, may be twins. By the births these are only off about 4 days. Sarah on May 29, 1818, and Ellen May 25, 1818. There were several sets of twins born in the different families. Sarah had Fitelia and Francelia.

Obituary of Sarah Fitch from the Auburn Courier, Sept. 2, 1908:

Death of Mrs. Sarah E. Fitch, at an Advanced Age.....The mother of Dr. D.N. Fitch of this city.

Mrs. Sarah E. Fitch, the mother of D. N. Fitch of this city, died Wednesday morning at 6 o'clock at home in Perry township, Allen County, near Huntertown, aged 90 years, of the infirmities due to her advanced age. Mrs. Fitch was a lady of many noble traits of character and was highly esteemed by a wide circle of friends. She was a Christian lady, a devoted wife and a loving mother. The funeral will occur Friday forenoon at 9:30 from the residence, the services being at 10 o'clock at the Cemetery Church in Huntertown.

The following are the children: Nancy and John died in infancy; Perry, the elder died 8 years ago; Josiah M. Fitch of Huntertown; Mrs. J. F. Beers of Colorado; Charles and Allen Fitch, both of South St. Paul, Minnesota; Amos Fitch of DeKalb County, Indiana; Mrs. Francelia Fair of Alden, Kansas; Fipelia (sic) Gloyd of Fort Wayne; Harvey Fitch of Huntertown; Mrs. Sarah E. Stratton of Fort Wayne; Mrs. Ida S. Mason of Fort Wayne; Mrs. Emma Hartzell of New Haven; and Dr. D. N. Fitch of Auburn.

The following sketch of her life has been furnished the Courier by relatives: Mrs. Sarah Elizabeth Fitch, widow of Nathaniel Fitch, and pioneer of Allen County, Ind., was born in Miami County, Bethel township, Ohio, May 29, 1819, the daughter of George and Sarah Stattler DeLong (She was Elizabeth, not Sarah).
She came to DeKalb county, Ind., to the home of her sister, Mrs. Abram Fair, where she met Mr. Fitch, to whom she was married June 4, 1840. They located in Perry township, Allen county, Ind., which place became her permanent home the remainder of her life.

She was left a widow by the death of her husband, January 1, 1877. A large number of immediate relatives survive her. She was the mother of 15 children, twelve of whom are living, 46 grandchildren and 28 great grandchildren.

Mrs. Fitch was christened in infancy in the German Reformed church. She untied with the Methodist Episcopal Church of which she was a consistent member up to the time of her death. She was of a religious, charitable nature and her life was full of good deeds, for she gave with an open hand to the poor and the needy. The call of the sick and suffering was answered by her presence as often as both physician and nurse. Her influence and help has been far reaching through her long life and it can be said of her "She did what she could" and when in her 90th year the summons came, she was ready to go.

.....

Obituary of Sarah Fitch: This was written from the viewpoint of her daughter, Mrs. Allen Hartzell

The venerable mother of Mrs. Allen Hartzell passed away at Huntertown, Wednesday morning. At the last Fitch reunion held two months ago it could be seen that Grandma Fitch could not long survive. Past the age of 90, she had reached the time when any minute might bring the summons. She had always been strong, but age overcomes strength. While sitting in bed receiving attention from members of the family, the aged head bent forward, a sigh escaped the lips and the spirit was gone.

Mrs. Fitch was born in 1818 in Miami County, Ohio. In 1840 she was married to Nathaniel Fitch and they settled in Perry Township where she resided ever since. The husband died in 1877. Fourteen children were born to them, twelve of whom still live. She was a member of the M.E. Church at Huntertown and the funeral will be held from that place Friday. Rev. E. A. Bunner will conduct the service. She was a good woman, universally6 loved. Her passing away was in compliance with the law of nature, but the influence of Christian spirit will live eternally.

The surviving children are Mathias Fitch of Huntertown, Mrs. J. F. Beers, of Holly, Colorado, Charles and Allen Fitch of St. Paul, Amos Fitch of New Era, Indiana, Mrs. Christian Fair of Alden, Kansas, Mrs. A. M. Hartzell of New Haven, Harvey Fitch of Huntertown, Dr. David Fitch of Auburn, Mrs. Dr. M. A. Mason, Mrs. J. D. Gloyd and Mrs. Sarah E. Stratton of Fort Wayne. There are 46 grandchildren and 27 great grandchildren.

Notes

Mathias Fitch may have been named Josiah Mathias Fitch. This is the way it is written in his mother's obituary. His nickname was "Si". Recently I read in a book about Abe Lincoln's mothers about a young man whose name was Josiah and they called him "Cy". The spelling is not the same but the idea is and spelling in those days was not consistant anyway.

This is the way it was written up in the obituary from the Auburn Courier:

The following are the children: Nancy and John died in infancy; Perry, the elder died 8 years ago; JOSIAH M. FITCH of Huntertown; Mrs. J. F. Beers of Colorado; Charles and Allen Fitch, both of South St. Paul, Minnesota; Amos Fitch of DeKalb County, Indiana; Mrs. Francelia Fair of Alden, Kansas; Fipelia (sic) Gloyd of Fort Wayne; Harvey Fitch of Huntertown; Mrs. Sarah E. Stratton of Fort Wayne; Mrs. Ida S. Mason of Fort Wayne; Mrs. Emma Hartzell of New Haven; and Dr. D. N. Fitch of Auburn.

It is very probable that Mathias got his name from the DeLong family. Mathias DeLong was Sarah's grandfather, father of her father George DeLong, although he would have been dead long before she was born and she could never have known him. We see no other Mathiases in the Fitch family all the way back though many Mathiases abounded in Norwalk. Gives me pause to wonder also about the name Perry. Nathaniel also had a brother named Perry. Is there any possibility that Nathaniel Sr's mother was Mary Perry?? I have found no other connection with the Perry family though they were in Norwalk. But then there is also the Spencer family, and perhaps the Morgan family?? Usually you can find a child's name somewhere in the background with his ancestors.

He was born in 1843 in Allen County, on the old Nathaniel Fitch homestead, the 2nd of their children. Married in 1867 to Frances VanDolah. They built their home on the Fitch Road about 1870 or around there somewhere. Just where they lived before that I am not sure. Don't know how old the house across the road was. Perhaps it was there then. Or perhaps they lived in the old cabin before moving to their new home. But it was on the sawmill property so would guess there was a house there somewhere that they started their married life in. The sawmill was just down the hill from the house and the carding mill was there too. It had been used by Nathaniel for carding wool. Finally they moved it up the hill and made a "hog" barn out of it. It is still there to this day. The original would have been built about 1840.

Mathias may have been a favorite of his mother. At least he did all of the record keeping for her and took care of her business after Nathaniel died in 1877. His mother lived another 30 years.
Mathias kept a journal as well as the books for Sarah's farm business. I believe the journal is in the hands of some great great grandsons in Washington State.

This is what the Allen County History has to say about Mathias: Mathias was the 2nd son of Nathaniel and Sarah DeLong Fitch. He was born in a log cabin where Nathaniel's large new house was to be built. Mathias farmed 240 acres in Perry Township and made a specialty of raising sheep. He also owned farmland in Iowa. He ran the water-powered sawmill that was on his farm, as his father Nathaniel had done before him. The sawmill was a one story building 60 by 20 feet. Mathias took over the operation of the mill about 1870 and installed a feed grinder. He continued the operation of the mill until 1908 when it was abandoned. This mill was in continuous operation for 68 years. Mathias was a member of the Regulators, an organization formed to rid the country of outlaws. David Fitch, his brother, and Jacob Kell were also members of this courageous organization.

Both Mathias and Frances died in 1923 and both are buried in Perry Township Cemetery near Huntertown. They were both born in 1843 and both died in 1923.

In Mathias's Bible we have this recorded:

Matthias Fitch married Frances Vandolah, December 1st, 1867

Frances Vandolah born February 19th, 1848

Obituary: PROMINANT ALLEN COUNTY FARMER DIES

Mathias Fitch 80, a well-known farmer of Allen County, living in Perry Township, died of paralysis yesterday afternoon at 2:30 o'clock at home near the north county line, northeast of Huntertown. Relatives include three daughters, Mrs. Fred Kell, Miss Alethea Fitch and Mrs. Beatrice Leaycraft of Los Angeles, California; two sons, Schuyler of Seattle, Washington, and John Fitch of Huntertown; Five brothers, Charles and Allen of Minnesota; Amos and Harvey of Huntertown, and D.N. of Auburn.

Born January 16, 1843
Died December 10, 1923

After the death of his father, NATHANIEL FITCH, Mathias was made the guardian of his younger siblings, Ida Fitch, Emma Fitch, Allen Fitch, and David Fitch, by the Allen County Circuit Court on October 9, 1877. Nathaniel had died in January of 1877.

In 1878 Mathias's mother, Sarah, sold him the land with the sawmill. Mathias paid $2,500 for the land from his mother. I believe that I heard the house was built in 1878, but may be wrong on that. I wonder where Mathias lived before they built the house. They were married in 1867 so they had to live somewhere for 10 years. Possibly at home I suppose. I don't think the tenant house on Mathias's land was older than the house he built, but possibly they had a small house there or on the property so he could run the mill for Sarah after Nathaniel died. At one time he also owned the property across 327, Coldwater Road, from Nathaniel's house and that house is still there, but probably built later on.

.....

In the summer of 1923 Mathias Fitch missed the Fitch Reunion for the first time. His wife, Frances Vandolah Fitch, had died earlier in the year. And Mathias was so ill that even, son John did not come to the reunion. Mathias died later that year.

Until that time he did a lot to help with the yearly reunion including trying to find the ancestry of the family by contacting those in PA who might have more knowledge.

Have written (from where, I am not sure) "40 acres from Rundles, far NE 40 acres, 1904, Mathias from Jerry Surfus." Need more info.

.....

As I read of the history of that time, it is probably a wonder that Mathias was born and survived when he was even a baby. From the reminiscences of that time and from the Rev. S.B. Ward of Auburn we find this:

"There has been severe weather experienced during some of our late winters and the mercury fell far below zero time and again in that of 1884 and 1885, but none will compare in rigor and duration with that of 1842 and 1843. (while reading this remember that Mathias Fitch was born in January of 1843 out in the woods in a little cabin. Remember poor Sarah and what she had to go through)

The fall had been fine: about the first of November, a light snow fell, but mostly went off soon after. On the 17th of the month, it set in cold, with high winds and some snow. The snow continued to increase from time to time until it was nearly 2 feet deep on the level, with occasional showers and hard freezes, so that it was almost impossible to get about. It snowed a little every day, but one through February. March came in with almost the severity of a polar winter.

The settlers had raised but little to live on during the previous season and by this time most of the hay and grain had been consumed and hogs and cattle were daily dying, all over the county from starvation. Some settlers lost all their hogs and most of their cattle before feed came in the spring. Very many had to depend on the browse off of the tree tops as feed for their cattle, for the last two months of the cold weather. For the last few days of March, however, even this provision of nature was cut off.

While all were anxiously looking for the opening of spring, heartsick in view of the sufferings of their poor dumb animals, the sleeper, in his lone cabin in the midst of the forest, was awakened on the night of March 27, by the continual crashing of the tree-tops which did not cease until day dawned, when to the dis-spirited emigrant, was revealed the cause of all the commotion of the night.

It had been raining and freezing as it fell, until the tree tops were broken under their load of ice. That day and for several days it seemed that the cattle must all die; for when the trees were cut down for browse, the small twigs, incased in a hard coat of ice, would break off with the ice adhering and mingle with the snow. Besides this, the crust on the snow was so thick and hard that the cattle could hardly get about. The wild animals also suffered almost as much as the domestic ones. It was nothing unusual to see squirrels so reduced as to be easily caught by hand. Most settlers lost all their hogs. The end came at last and that week sent the snow in another form to Lake Erie, and in a few weeks, herbage began to appear and hope sprung up again in the settler's heart.

(And into this snow and cold, Mathias was born on January 16, 1843, out in the woods in their cabin and was a tiny babe when the tree tops began to fall all over the woods around them. Nathaniel and Sarah had been married in 1840 and they had one son before Mathias, so had a toddler, Perry. We can wonder if they lost most of their animals in this bad winter and just how they made out, how they stayed warm and how discouraged Sarah might

have been at the time, stuck in a tiny cabin for the winter, pregnant and then delivering, and how Nathaniel managed to provide the heat and food necessary when it was so hard to get around outside. So when you feel like grumbling, just think about Sarah and all she went through as a pioneer in Indiana. We can wonder if Nathaniel was able to go for help at the time. Sister Christina was not far away, but had her own family to take care of at the time. We note that she also had a baby in the year of 1843, but do not know what month.)

Notes

Frances grandmother on the Tucker side was named Frances too and probably where she got her name. Not much is known about Frances other than her connection with Matthias Fitch and her children. I have heard no stories about her. Her father was James Vandolah and they came early from Greene County, Ohio. The family seems to have been in the milling business, either building mills or running mills. Though some of her older siblings were born in Greene County, Ohio, Frances was born after they arrived here in Indiana.

Note that she and Matthias were born the same year 1843 and died the same year 1923 and were both 80 years old at the time of their death.

Notes

John Byron Fitch was a well-loved grandfather, neighbor and friend. He was easy-going in all his ways. Warren always enjoyed the times he spent with his grandfather going fishing or just trailing him around. Anyone you ask about them says John and Belle were wonderful people.

When we knew them, John and Belle lived in a little house on Highway 27 and bordered on the north by the Allen and DeKalb County Line. That is the only home Warren remembers them having too and they must have moved there when their kids were young adults. The house was quite small but had a small bathroom inside with a wooden bathtub. I remember a cook stove in the kitchen, and a living room with a bookcase full of old books. The dining room was probably used for a place to eat all their meals as the kitchen was in a back lean-to and was very small. Belle also had a summer kitchen. There were two small bedrooms upstairs. The house was not far from the highway. At that time John was owner of about 300 acres of land that had belonged to his father, Mathias. Plus that, he owned the 30 acres that they lived on.

John would have grown up in the house on the Fitch Road that was built by Mathias. That was where the sawmill and the carding mill was. Suppose John got to work in the sawmill. They took the carding mill up the hill and made a barn out of it. Mathias had a beautiful big house so home would have been pretty nice for John and his brothers and sisters probably.

We don't know how John and Belle met, but she was a Hollopeter from Cedar Creek Township and they were married in 1898. They had three children, Grace, Maurice, and Otis, who was the baby and said by some to have been spoiled and over-loved by his mother!! There must have been a pet name for Otis, but haven't found out what it was as yet.

John was quite easy-going and one story we have on him is that Belle wanted a wall torn out between the kitchen and dining room and he would never get around to it, so one day while he was gone, she just up and knocked it out. Suppose John had to clean up the mess. Not sure which house that was, but they lived in two other houses that I know of.

When the kids were smaller they lived in the house across the road from Nathaniel. Then eventually they moved into the house on the Fitch Road (that we first lived in). It may have been that house that she wanted the wall removed because if you looked at the kitchen ceiling you could see where there had been a wall dividing two rooms there. When we lived there the kitchen was just one big long room as long as the house.

From there they probably moved into the house on the county line road. John died in 1947 and Belle still lived on in that house until she died in 1953.

John Fitch wrote his hand-written will to his children and this is what he had to say:

In case anything should happen to me, I am writing this as part of my wish which I think would be of some benefit to you. I believe it would be best to keep the farm until the prices are better for farm land. You could sell off timber that is matured and that will help to pay the taxes and other expenses if it does not make enough by farming. But be careful about selling it. I believe it would be best to sell it by the thousand. Then there is the gravel which will be worth a great deal sometime. Be careful what kind of deal you make. I believe it would be best to sell it by the yard. And whatever you do, do not get to quarrelling among yourselves as my folks have done. You will have a good thing and something that will make you an income for years to come if properly managed and you do not get into trouble over it. You can each give in a little and make a settlement that is good for all.

Obituary of John Fitch

FUNERAL FOR JOHN B. FITCH 74 WILL BE HELD SUNDAY

John Byron Fitch, 74, of Allen county, who lived six miles south of Garrett near the DeKalb county line died of paralysis at his home Thursday at 2:30 p.m. He had suffered a stroke of paralysis two and a half years ago, and had suffered three other strokes since that time.

The body was taken to the George W. Iler Mortuary in Garrett and it will be returned to the residence Saturday

morning. Final rites will be held Sunday at 2 p.m. at Cedar Chapel Methodist Church, the Rev. Harley Davis of Fort Wayne officiating. Burial will follow in Cedar Chapel Cemetery.

Mr. Fitch was born June 23, 1872 in Allen County, Perry township near his present home. He was a farmer all his life. He and Belle Hollopeter of Allen County were married March 17, 1898.

Surviving besides the widow are two sons, Morris of Huntertown and Otis, who lives two miles west of the parental home in DeKalb County, a daughter Mrs. Grace Caple of Kimmell, one brother, Schuyler of Seattle, Washington, a sister, Mrs. Beatrice Leaycraft of Los Angeles, California, and seven grandchildren.

Died at his home on Highway 27
Spent his entire life in Perry township

.....

In 1927 John's uncle, James Vandolah, Jr. died and made John the administrator of his will. John shared with his brothers and sisters the inheritance that his mother would have received had she still been alive. But since she had died in 1923, the neices and nephews received from the estate. Uncle James had never been married and was apparently the last one of James and Rebecca's children when he died. So all who received of his estate were his neices and nephews. Not only John and his brothers and sisters, but two of Benjamin Vandolah's children, Frances and Lizzie, and two of Phoebe's children, William Gump and Emma Gump. James Jr. had a pretty nice estate for those days. It was over $15,000 total. John received $125 for being the administrator. Find the will under John's mother, Frances Fitch.

Rosa Belle Hollopeter

Notes

Belle was really Rosa Belle Hollopeter, daughter of William Hollopeter and she was raised in Cedar Creek Township on a farm just across the township line which was and is 427. Her grand father was a Methodist minister. Belle had several brothers and sisters and many, many cousins and aunts and uncles in the area as several of the Hollopeter boys came to Indiana together and set up their homes here.

At some time in her life and no one can tell me when it was except it was before they were married Belle had polio and it left her with one leg shorter than the other. Seems it never stopped her from doing anything. The question had been asked, "why did John Fitch marry a cripple?" so we know she was that way before she was married to John. Probably because he loved her! Dumb question!!

Belle was a teacher and she worked with John's assessor's records too. Probably quite an intelligent lady. One of the recipes we have is of Belle's "crumb pie". Here it is:

Take 2 cups of flour 1 cup of sugar
1/2 teaspoon of soda cinnamon and cloves to taste
1/2 cut of shortning 1/4 teaspoon salt

Mix this to form crumbs and press a crust into a pie pan saving some of the crumbs to put on top.

Mix 1/2 cup molasses with 1/2 cup hot water and pour into the crust. Then add the rest of the crumbs on top and sprinkle with a little more cinnamon. Bake at about 350 until the center is set and the edges brown a little. No time was given but probably about 45 minutes. If the edge starts getting too brown, take it out. The center will be somewhat gooey when you eat it. Warm and with ice cream is best!

One of the schools that Belle taught in was School # 4 which was on Road 68 across from the Kelham home. It has been said that she stayed with the Kelhams while teaching there. This was probably in the 1890's before the marriage of Belle and John.

We have a teacher's certificate that says:

Certificate of Membership, in, DeKalb County Teachers' Association
Waterloo, Ind. ..... November 27, 1897
This is to certify that Belle Hollopeter is an Active member of this Association.

Obituary of Belle Fitch:

HEART ATTACK BLAMED FOR DEATH OF MRS. BELLE FITCH

Final rites were held Sunday at 2 pm at the Cedar Chapel Methodist Church, southeast of Garrett, for Mrs. Belle Fitch, 78 who resided just south of the DeKalb-Allen County line on U.S. Highway 27. Rev. Everett McLeland officiated and burial followed in the church cemetery. The body was at the Zimmerman Funeral Home in Garrett until noon Sunday, when it was removed to the church to lie in state until the services.

Mrs. Fitch, who lived alone, had been in fair health. Thursday morning at 8 o'clock, Cecil Myers, the tenant farmer who lives nearby, went to see if Mrs. Fitch was all right. He was unable to gain entrance to the house or arouse anyone. He summoned a cousin, Miss Gladys Fitch, who lives nearby, and together with his wife and daughter, Marilyn, they returned to Mrs. Fitch's home. They cut a hole in the screen and Marilyn crawled through and unlocked the door. They found Mrs. Fitch dead in bed, a victim of a heart attack.

Mrs. Fitch was born May 19, 1874, a daughter of the late Mr. and Mrs. William Hollopeter. She was a life-long resident of Allen County and when a young lady taught in the DeKalb and Allen County schools. She and John

Fitch were married March 17, 1898, and he died in February 1947. Surviving are two sons, Otis Fitch of southwest of Garrett, and Maurice Fitch of Huntertown; one daughter, Mrs. Charles Caple of Cromwell; one sister, Mrs. Grace Rundles of Hudson; seven grandchildren. Mrs. Harry Wert and Mrs. A.G. Houser of Garrett were cousins of the deceased woman. (Actually they were cousins-in-law)

Mrs. Fitch was a member of the Cedar Chapel Methodist Church, Woman's Society of Christian Service, Ladies Aid and was a teacher for many years of the Adult Sunday School class.

From Ralph Diehl: Rosa Belle resided between 1945 and 1949 in Huntertown, IN. This farm was located in Allen County a few miles from the DeKalb County Line. a few miles west of Belle's parents home. They later moved to a home on the county line. (This is definitely in error as Belle and John lived in the home on the County line from the time Grace was still at home until her death in 1852. We have photos of Grace there as well as many of the grandchildren.

From Maxine:

"Grandpa Fitch had a stroke and was ill for a very long time. Grandma took care of him even though they did not have in-door plumbing. She also cooked on a wood stove, but made delicious sugar cookies. Grandma had polio when she was younger and wore a built up shoe. She taught school before she was married. Grandma never drove so she had to depend on friends to take her. She would also catch the bus to have her hair done which was about 4 miles south on 27. Ruby Smith was very good to her and always checked on her."

Notes

Otis was probably born in the house across the road from Nathaniel's homestead. At least it looks like they lived there when Grace was small and Maurice just a baby. This house is on the east side of Highway 27. Jake Kell said that the land was level across there at the time and the road did not go straight down the hill as it does now, but curved around and the driveway to Nathaniel's home which was the old 27. Not sure how long they lived there, but the kids went to the Fitch School #2. which was on the Shoaff Road then.

Next place we see them living is in the old house on the Fitch Road that Warren and I lived in when we were first married. At that time Otis seems to be about 12 years old and a teenager in one photo and so not sure where they would have gone to school, but since it is still Allen County, they may have still gone to the Fitch school. We know that Otis went to Garrett to High School. At that time they had moved up to the 30 acre farm on the County Line and he was able to go to Garrett even though he was on the Allen County side. John had much of the farm that belonged to Mathias after Mathias died, but to begin with, he may have just had the 30 acres. Otis graduated from Garrett High School. Otis had a heavy head of sandy red hair which almost stood straight up!

One thing he did before he got married was to go out West with Rudy Schlemmer. Have pictures of things they saw and the old car they drove. We do not know much about his going out with girls, but apparently there was a girl that he was very interested in and she died. How long it was before he began to date Esther, we do not know. She had also had a boyfriend that her mother did not care for and put a stop to that. So both may have been sort of on the rebound. Esther was a little older than Otis. Apparently he was good friends with Paul Clark and Paul was dating Esther's sister, Josephine, and that is probably the way they got acquainted. Paul and Josephine got married too.

Otis and Esther were married on December 30, 1926. There first home that we know of was on the California Road. All three of the children are shown there at the house so suppose they were living there when all of them were born. About 1932 they moved out to the farm in DeKalb County about 6 miles south of Garrett and that was their home for the rest of their lives. Otis was not a real farmer and he worked as an electrician at General Electric and was retired from there after many years. But they did farm the land that was there. At first they lived in a little garage until the house was built. There had been a house there before that Schuyler Fitch had lived in. Schuyler had moved away and gone to Washington State. Someone was renting when it burned down. So using the basement Otis began building on the foundation that was already there. They used butternut wood for the woodwork that they got from the woods, or perhaps it came from the old mill stock as that would have already been dried and ready to go. The house did not have a bathroom until after Warren had left home. The room was there, but it just was never put to use. So they had a WPA outhouse and a short path. It was several years before they even got electricity.

Otis's whole life seemed centered around his work at GE and he did little else. He was a hard person to get to know and I really never did. He had a lot of friends at GE and they did some things together. He also belonged to a lodge and would spend some time there. It was the Knights of Phythias I think.

Otis smoked a pipe, cigars, and some cigarettes, and in the end he had problems with his breathing and the doctors said he had emphasema. He was in the hospital in Garrett when he died and think he may have suffered a slight stroke, but believe his worst problems had to do with his breathing. For several years before he died, he could have no fresh air in the house at all, and if he walked outside could hardly breath so he stayed indoors with the house all shut up. He finally had an oxygen machine in the kitchen and had to use that several times a day.

Everyone said that he was his mother's pet, and perhaps so, as he was the baby. He weighed 13 pounds when he was born and was quite a chunk as a baby. Then he grew tall and slim and was downright thin by the time he was in his 60's. Our kids never got to know him well at all because as I said he was hard to know. They did not have a very good experience with their grandpa. He was always good to them, but never really took an interest in their lives.

He is buried at Cedar Chapel Cemetery just off Road 68 where both his parents are buried.

FINAL RITES HELD FOR OTIS B. FITCH, 71

Services were held Saturday 2 p.m. at the Baidinger & Walter Funeral Home for Otis Fitch, 71, of near Holiday Lakes, a lifelong resident of the area. Rev. Fred Orr, pastor of the Altarstar Methodist Church officiated and burial

followed in Cedar Chapel Cemetery. Members of the Knights of Pythias in Fort Wayne served as pallbearers. He was a 50-year member of the organization.

Mr. Fitch died of complications Thursday at 4 p.m. at the Garrett Community Hospital following a stroke he suffered on Tuesday. He had been a patient in the hospital three weeks and in failing health for 18 years. Mr. Fitch, a retired General Electric Company electrician, was born December 20, 1904, in north Allen County, a son of John and Belle (Hollopeter) Fitch. He was married on December 30, 1926 at Harlan to Esther Doll.

Surviving besides the widow are a son, Warren, Fort Wayne; two daughters, Mrs. Elsie Jones, Fort Wayne, and Mrs. Richard Ober, Temple Terrace, Florida; and 11 grandchildren. A sister and brother preceded him in death.

Notes

Esther Doll was born in the house "down the lane" near Spencerville. She spent her whole life as a child there and they were still living there for many years after she left home. Her family consisted of Josephine and George and herself. Esther was the oldest child. The farm they lived on had originally belonged to the Shillings at one time. The Shilling family gave some land to all their children. Her parents were John Doll and Vienna Shilling. Warren said that John and Vienna never had a lot of money. Apparently the farm land was not real good and did not produce well. John had come from Canton, Ohio. They took a lot of photos as young ladies and it shows pretty much what their life was like. Looks like they had a lot of fun and had a lot of relatives and school chums.

Esther went to some of the small one-room schools, but also went in Spencerville. We have a photo of their 8th grade graduation which was county-wide. She graduated in the same class as her brother George. Her diploma (which we have) says that she graduated from Common School or the 8th grade on June 28, 1916. She went to school in District 10, of Spencer Township, DeKalb County, Indiana. Esther always said she was sick as a young girl, and she certainly got much healthier as she went on, as she will be 99 in about a week. Did the usual girl things, like going dating and to Robinson Park, and she learned to crochet and she made wicker baskets.

She apparently was dating a fellow from Leo by the name of Klopfenstein, and her mother did not like the fact that he was from a different religion. The Dolls were Lutheran and this fellow was a Mennonite I believe. Anyway, as she "ruled the roost" in those days, guess the wedding never got going. She was 26 when she married Otis. He and Paul Clark were friends and Paul married Josephine Doll, Esther's sister. So they got married too.

Three children came along, Elsie, Warren and Maxine, and that kept Esther busy. She said that during the depression years, they would get some things from the government and they got tired of powdered milk, and beans and peanut butter. Don't think Warren ever got tired of peanut butter !!
At that time they moved out to the farm, probably so they could have meat and eggs and raise a garden and all that is needed to raise a family. So they lived in the garage until the house was built.

Esther was a housewife and she had some outside interests like quilting and she has produced many quilts in her day, and most of the family has a variety of them. And she did a lot of crocheting too when she could find the time. She and the neighbors would sometimes can together. Otis did not give her much money and I am sure there were a lot of things she would like to have done, but did not have the money for it. That was until after she began to get her own Social Security check and then I think she began really living!! Would send for her quilt supplies and things to embroider and crochet thread, etc. That would be what she would do for the rest of her days when she was able.

Otis died in 1976 and she had had several bad years because of his health problems. She still stayed on the farm for a while after he died, but eventually she decided suddenly that she had had enough of the farm and she was going to get a house in Garrett. She picked it out all by herself, probably with the help of Dorothy and Albert Thrush, and it was right uptown in Garrett. That was good in many ways, as she was always near to wherever she might want to go. Eventually most of the stores and places to buy things closed in uptown Garrett. She moved about 1980 or 81 and spent a happy 10 or so years there. She and Dorothy would do things together. Lamona Thrush had been a friend like that also in the earlier years and they would garden, can, and sew and quilt together, but Lamona remarried after Ambrose died and that put an end to that relationship.

The last few years of her life have been hard as she could finally no longer safely take care of herself and she went to Millers Merry Manor for several years, but recently we took her to Betz at Auburn. She can no longer walk on her own.

Mary Jane Hand

Notes

MARY JANE.....from the Hand Genealogy given to the Huntertown Historical Society

Mary Jane married Jefferson Sickler about 1870. The Sicklers lived a half mile west of the Hand farm. In 1883 the Sicklers moved to South Dakota to take up land from the government. The land was near Wassington Springs. They retired in later years and moved to Santa Cruz, California. They had four children and one of the children had a clothing store there. Jefferson died in 1917. One son was called Everett and a daughter, Sarah, who later married a Jacobs. She lived in Seattle, Washington in the 1930's.

One Hand genealogy says Mary Jane died in 1928. Also adds: "They lived in the house later occupied by the Perry family, located West of the Anderson School on what was later known as Carroll Road in Eel River Twp. In 1883 Aunt Jane and Uncle Jeff took up government land in South Dakota, near Wassington Springs. Uncle Jeff was successful there, then retired and removed to Santa Cruz, on the California coast, south of San Francisco, owning a house on Branciforte Ave. Uncle Jeff died in 1917. Later Aunt Jane sent money to Zelpha Hand, asking her niece to come and visit her. Zelpha did and stayed in California 4 years, part of which she spent working in the Southern Pacific Railroad office in San Francisco. Zelpha then returned to Indiana.
